## Live the Liturgy

Relationships are hard to clarify. Determining whether people in our lives are simply acquaintances and associates or a deeper level of friend is a journey that takes time. Identifying and celebrating those people who really care about us is a lifelong adventure that involves both moments of intense elation and heartache. Some relationships are more easily definable than others. Two people who are in love must decide whether the love they share has the freedom and depth necessary for lifelong commitments. Other relationships may look like friendship but may harbor grave dysfunction and toxicity. Discernment is needed on all fronts. Our relationship with God also needs definition and discernment. God has taken creation as His spouse and human beings as His children. God delights in us and all that He has made. The wedding feast at Cana demonstrates God's investment in all of this, especially our happiness. Life is a time for celebration and great rejoicing! ©LPi

**Please pray for Fr. Nick. Lord, restore his health in mind, body & spirit.**

### PHILIPPIANS: Life in Christ

Tuesday afternoons - 2:00 pm in the Hall

Written toward the end of St. Paul's life, Philippians is a short, tightly written letter overflowing with treasures. This study will unpack those treasures, highlighting the rich teaching and pastoral care that Paul offers his beloved Philippians. Philippi's inhabitants were steeped in Greco-Roman culture. Paul's letter redirects them to place their faith in the Person and Gospel of Jesus Christ.

### THE CASE FOR JESUS

Wednesday evenings - 7:00 pm in the Hall

Can we trust the Gospels? Do we really know who wrote them? Do the Gospels communicate truth—or fabricated fables?

Who is Jesus? Who did Jesus claim to be?

This course draws evidence from both early Christian and non-Christian writings attesting to the authenticity, authorship, and dating of the Gospels. It's an in-depth look at the Gospel accounts of Jesus' Crucifixion, Resurrection, and the proclamation of Christ's divinity.

## St. Augustine WINNER

### Jim Landry has been named this year's St. Augustine's award winner!!!!

We are in thanksgiving to Jim for his leadership of the Knights of Columbus last year as the Grand Knight and the service that he rendered to the church as we began to reopen during the Covid 19 shutdown. Jim was an integral part of the church safety procedures with the help of his fellow Knights. He helped to orchestrate Mass in the parking lot before we brought it back into the church building, no easy feat, then organized volunteers to serve at Mass checking in and seating parishioners when Mass sign ups were required. He helped to implement sanitizing procedures for the church which very important to maintaining the health of our parish. Jim also is a part of the St. Matthews Guild, which counts the Sunday Collections. We thank Jim for his kind spirit and helpful heart.

*We acknowledge and thank our St. Augustine winners over the past 10 years for their service and dedication to St. Edward's: (There was no winner in 2020 due to Covid shutdown)*

Christ began to work miracles in Cana, an obscure corner of the country, remote from Jerusalem, which was the public scene of action, to show that He sought not honor from men (John 5:41), but would put honor upon the lowly. Are you thinking that you are too insignificant for God to do a miracle in your life? You are not. God is as much interested in doing a miracle in Cana as He would be in Jerusalem. His first recorded miracle in the New Testament is told in John 2:1-11 when Jesus turned water into wine at a wedding. ... Jesus summoned several of the servants to fill the jugs with water and take them to the host of the wedding. The host took a sip from the jug and realized that the water had been turned into wine.

## WORSHIP & MEDITATION

### GOSPEL MEDITATION

#### Encourage Deeper Understanding of Scripture

God delights in you. How do you feel when you hear that? Delight usually comes with an exuberant flow of joy that seemingly arises from one's toes with the expression of great glee. Reflecting upon the deep measure of joy God has in us can be a source of joy for ourselves. Delight is infectious. A very young brother and sister were playing on the beach when the all too familiar ice cream truck made its daily rounds. The boy shook with excitement and delight as he took his sister's hand and exclaimed, "The ice cream man is here, isn't it great!" As they ran off toward the truck, one could hear the girl reply, "Yeah, I can't wait!" The experience of a child's delight in something so simple as ice cream, lifts our spirits from our burdens and transports us to the lighter, more innocent side of life.

Life is not meant to be a burden. Believe it or not, God actually wants us to be happy! In fact, the wedding feast at Cana shows us that God even puts His blessing on our happiness. It is okay to celebrate the wonder of ourselves and others. Life is good. It is always interesting to note that Jesus saves the good wine until last. You would think it would be the other way around. The superb quality of Jesus' wine points to the superior quality of life we find in Christ. It is not a life of burdens but a life of wonder and delight! In Christ, we are lifted from the superficial and mundane to a life of purpose, hope, and love.

God is with us through the long haul, through the challenges and sorrows as well as the successes and accomplishments. In spite of the fact that we often wander from the path, God's celebratory delight in us remains. As spouses are asked to remain faithful to each other through whatever life brings, God remains faithful too. This promise remains through this life and into the next. All we have to do is take the advice of Jesus' mother to heart when she says, "Listen to him." This wisdom saves us from foolishly giving in to the illusion that we can make better wine than Jesus.
