Second Sunday of Advent

Dear Friends,

Star Spiritual Meaning – The night sky would not be as beautiful as it is if there weren't stars. The stars were always magical and inspiring for humanity. As a result, it became a spiritual symbol all over the world.

The Star Of Bethlehem – it is a divine sign. The star means a sign from God to follow his path. The star was His way of leading the Magi to His Son.

While Joseph and Mary and the Holy Child were still staying in Bethlehem, some Wise Men came from an Eastern country to Jerusalem, asking, "Where is he that is born King of the Jews? for we have seen His Star in the East, and have come to worship Him."

These "Wise men" studied the stars, and believed that they had much to do with the lives of people on the earth. These wise men were called Magi. They had heard that a great One would be born about this time, and that He would be the King of the Jews.

When they saw a strange and beautiful Star near the earth away toward Jerusalem they prepared to go and see if it would lead them to the King.

Wise Men are still following the Star seeking God through His Son, Christ Jesus.

Are you among the "wise" who daily seeks our King Jesus for a personal relationship with Him?

Wise men do seek the "KING".

Enjoy making your stars and home during Advent.

Fr. Dave

Question: Can a divorced Catholic receive holy Communion?

Answer:

Unfortunately, too many people today — Catholics and non-Catholics alike — mistakenly believe that divorce separates one from the Communion of the Church and that divorced persons may not receive Communion. However, as the Church has communicated in a number of places, the issue at hand is not the reality of divorce, but is more often the reality of re-marriage outside of the Church (such as in the case of a Catholic who was previously married within the Church, divorced, and remarried without receiving an annulment).

Divorced persons are called to live chastely as single people and to observe the same call to avoid sin as anyone else who desires to receive the Eucharist. Beyond this, however, Pope Francis has reminded us that the healing power of the Eucharist can be especially significant for those who have "endured separation, divorce, or abandonment … divorced people who have not remarried, and often bear witness to marital fidelity, ought to be encouraged to find in the Eucharist the nourishment they need to sustain them in their present state of life." (Amoris Laetitia, no. 242) Moreover, he continues, "The local community and pastors should accompany these people with solicitude, particularly when children are involved or when they are in serious financial difficulty." (AL, no 242)

As Pope Francis has also reminded us, the Eucharist is "not a prize for the perfect," but "a powerful medicine and nourishment" (Evangelii Gaudium, no. 47). Because we all stand in need of healing and wholeness, the Church invites all who seek to live their faith in integrity and devotion to come and receive the grace offered in the Eucharist.

2nd Sunday of Advent

People knew over a year in advance that the Pope was coming for a visit to America and the preparations began. Security, space limitations and requirements, protocols, crowd management, itineraries, invitations, regulations, and so much more was necessary to pull this event off effectively. It's not every day that we get a visit from such a prominent dignitary. Thought, effort, meticulous attention to detail and vision all are necessary to make this thing work. After all, he can't just show up in the ordinary and normal daily routines of life and catch people unprepared! Tickets have to be purchased, buses rented, hotel rooms reserved, and travel arrangements made early because it will be impossible to see him if we wait too long!

We do this kind of preparing not only for prominent religious figures but for political dignitaries, notable sports figures, people of fame, and even actors. If an individual intrigues us, we are going to want to do all we have to do to get a "good seat" in the house. Does Jesus Christ captivate this much of our attention? We are asked to prepare the way of the Lord and to do so not with frantic frenzy but patient enthusiasm. We do not have to stand on a street corner making profound announcements about God's coming or become overly zealous in our embrace of the Good News. Our task is quieter, more interior, captivating, and consuming. We are asked to change. We have to conduct our lives with holy devotion.

Is the cost of that ticket too much for you? Don't you want the "best seat" in the house? You don't want to miss Our Lord's arrival when he comes, do you? After all, if he comes while you are going about your daily routines without you even knowing, he may catch you off guard. Or, he may come in disguise looking like a beggar, a prisoner, migrant, refugee, or someone who is lost. Would you be ready to recognize him then? Preparing for the coming of Christ requires a change of mind, heart, and behavior. It is not adequate to simply do the things we always do. We want our lives to speak of the exciting news of Christ's coming and the joy that the Gospel brings. It has to do with our demeanor, values, priorities, choices, and how we structure daily routines. Of course, it involves sacrifice. All anticipations do! Are you excited, captivated, enthusiastic, and sitting on the edge of your seat eager to celebrate his coming among us at Christmas, and waiting for him to come again? If not, why not?

As we enter this season of giving, our season is different this year due to Covid-19. Many parishioners have asked about giving to the 'Giving Tree' as we have done in the past to help those less fortunate at Christmas.

We will be unable to accept food for our baskets this year as well as toys for our children. Please know you can still give to both.

First our food baskets this year will be done through Gift Cards to these families. You can go to our PPB website at **www.theppb.org** and click on the '**CHRISTMAS BASKETS'** tab. Under that tab is a tab for donating to our HOPE Christmas Basket. Please consider donating to help us feed many this year that are in need. Or, you may mail in your check designating your desire to give to the **HOPE Christmas Baskets to PO Box 625 Caribou, Maine 04736.**

Also, for our past 'Giving Tree' this year the Caribou Fire Dept. will be collecting **Toys for Tots**. We encourage you to please consider donating to **Toys for Tots to Caribou Fire Dept. 121 High Street Caribou, Maine 04736 designating for Toys for Tots**.

Your generosity this season will help many that are less fortunate. Thank you for sharing with many families as we are in this trying pandemic time.
