By the saving waters of Baptism, we welcome into our parish family:
CAYDEN ANTHONY PETRACCA
May he grow in knowing, loving, and serving our Lord.

Health Ministry Leader

We are looking for someone to coordinate our Health Ministry. This volunteer should have a health professional background. They are responsible for coordinating the blood pressure screening once they are restarted, hopefully soon. They are also responsible for our AED devices. This includes regular testing of the devices and the certifications for the users. This is an important ministry for the safety and well-being of our parishioners so we are hoping that someone will step forward and donate their time and talent to the ministry. If you would like more details or are interested in joining the ministry, please contact David Byrne, Volunteer Coordinator, at stanthonysvc@gmail.com or call 203-758-4056, ext. 17.

Ushers

Now that our parishioners are returning to Mass on the weekends we need to re-establish the Usher Ministry. Ushers welcome and assist attendees before Mass and are responsible for the collection of offerings during Mass and properly securing them after Mass. Occasionally there are special feast days that require additional assistance. If you have previously been an usher or are willing to participate in this active ministry, please contact David Byrne, Volunteer Coordinator, at stanthonysvc@gmail.com or call 203-758-4056, ext. 17.

Our sympathy to the families of:
Gloria Ferraro and Salvatore Perugini, Sr.
Eternal rest grant unto them O Lord; let your perpetual light shine upon them forever.

OFFICE OF
 THE ARCHBISHOP

**Modification of Safety Practices Regarding COVID-19
 Effective Wednesday, June 9, 2021**

As the situation continues to develop, the time has come to modify somewhat the directives that the churches of the Archdiocese of Hartford have been operating under as concerns COVID-19. Effective Wednesday, June 9, 2021, for those who are vaccinated, wearing masks will now be optional while at Mass, at other liturgies, and at any indoor or outdoor events held at our churches. Those who remain unvaccinated should continue to wear masks with particular attention being given to the safety of young, unvaccinated children.

Also, for now, ministers who are distributing Holy Communion should continue to follow the directives that have been previously issued, included wearing a mask and sanitizing prior to distribution.

CONGRATULATIONS GRADUATES!

To All Graduates:

St. Anthony Parish family congratulates all of you on your accomplishment.

May you grow in knowledge, may you grow closer to God every day, and may you be guided by the Holy Spirit in the choices that you make.

Bingo Returning TOMORROW, June 14th!

We are excited to begin the St. Anthony Church Bingo once again! While all the repairs to the hall are not complete, you will find our space clean and bright with brand new monitors. Please see the points below as some things have changed:

- In consideration of the health and safety of everyone involved we ask that you attend bingo only if you are feeling well.
- Face masks are to be worn by all while inside the building. Volunteers will wear masks when social distancing is not possible.
- If you would like a seat cushion, please bring your own.
- Until the kitchen opens, please feel free to bring in your own food and drink. We encourage you to use our local restaurants! We will have an honor system for cold beverages and snacks.
- **CAN'T WAIT TO SEE ALL OF YOU AGAIN!**

Seven Things Every High School Graduate Should Hear

1. Live with intention. College will be full of new opportunities. Think carefully about your priorities for your new start.
2. Make the right friends. There will be plenty of new people! Concentrate on the ones who motivate you to be a better person.
3. It's a big world! Look for new perspectives, new opportunities, and new ideas that push you to grow.
4. Find a mentor. Building relationships with people who have "been there, done that" can be a great help.
5. Give yourself away. You may not need to volunteer anymore, but you'll be surprised what you learn, how you grow, and who you meet when you serve.
6. Before you go, learn how to do your laundry, address an envelope, schedule a doctor's appointment, use public transportation, and cook basic meals (ramen doesn't count!)
7. **Remember that God is in control. And that's a good thing!**

Convalidation of your Marriage

Convalidation is bringing your marriage into the Church. Unlike a civil service, a sacramental marriage brings a third partner, Jesus. The Church sees marriage as far more than a contract; it is a loving sacramental bond where you receive God's grace, strengthening your foundation. So if you had a destination wedding, were married at a park or venue, or if your spouse isn't Catholic, this information session is for you! Deacon Domenic Stolfi will be at the Parish Center on Wednesday, June 16th at 7:00 PM in the Faith meeting room and can answer any questions you might have.

Registration is not necessary.

The Heart Saver CPR/AED Certification—Recertification Course will be offered on Tuesday, June 15, 2021 at the Parish Center at 6:30 p.m. and will be about 2 hours. The course is \$35 and if you want the book it is an extra \$5. Certification for all those who took the course two years ago will be expiring in June. Anyone can take this course regardless if you were certified somewhere else or never certified.

Please consider taking the course, you might save a life! Please RSVP by June 8th to Pat Vlamis at stanthonychurchcc@gmail.com or call 203-808-1577. Please indicate if you want to order a book.

REMEMBER IN YOUR PRAYERS...
THOSE WHO ARE ILL: We welcome the opportunity to be informed of any of our parishioners who are ill or hospitalized. Urgent Action Needed!

President Biden's budget proposes forcing taxpayers to fund abortion on demand!

On Friday, May 28th, President Biden released his Fiscal Year 2022 budget in which he proposes to eliminate the Hyde Amendment and some related pro-life provisions. Calling for elimination of Hyde in a president's budget is *unprecedented*. The Hyde Amendment and similar laws have protected taxpayers from funding elective abortion for **45 years**. Now, powerful members of Congress want to take away these laws that both Democrats and Republicans have supported for nearly half a century. Billions of taxpayer dollars could be used to pay for abortion. The Hyde Amendment has been part of every appropriations bill since 1976, with strong bipartisan support. Now the President and Democratic leaders want to exclude the amendment from all future spending bills.

The United States Conference of Catholic Bishops (USCCB) is urging all Catholics to take action to preserve the Hyde Amendment by signing a petition and contacting their U.S. Senators and Representatives. See the links below to learn more and take action.

Background Information on the Hyde Amendment

<https://www.usccb.org/resources/Hyde%20Amendment%20Backgrounder.pdf>

Take action and sign the petition to Congress at NoTaxpayerAbortion.com

Email your U.S. Senators and Representatives

<https://www.votervoice.net/USCCB/Campaigns/83763/Respond>

Have you read? . . . The US Catholic Bishops' pastoral letter against racism called "Open Wide Our Hearts?" You can find it at <http://www.usccb.org/issues-and-action/human-life-and-dignity/racism/upload/open-wide-our-hearts.pdf>

Continue saving your LaBonne's receipts! Submit them to St. Anthony Church by mail (4 Union City Rd), drop them off at the parish center mailbox, or in the Mass collections. We will receive 1/2% back.

Thank you to everyone who has been sending in their receipts, keep them coming!

DONATE TO THE ARCHBISHOP'S ANNUAL APPEAL

It is fundamental that when you give to any charitable organization, you are confident the funds are used wisely. Be assured that your gift to the Archbishop's Annual Appeal supports the catholic ministries and programs as indicated in the 2021 Appeal literature, which can

be found at:

No Appeal funds are ever used for legal fees or settlements.

Pope Francis' Prayer Intention for June

Universal Intention: *The beauty of marriage.* Let us pray for young people who are preparing for marriage with the support of a Christian community: may they grow in love with generosity, faithfulness, and patience.

GOSPEL MEDITATION

A favorite motto of St. Teresa of Calcutta was, “do small things with great love.” This is how it works in the kingdom of God. God can do tremendous things with the smallest gesture, especially when it is done in love. We can clearly see that our world is suffering greatly. People are struggling to find peace, navigate through conflicts, earn a sustainable living, find security

and enough food to eat, and work through political tensions and conflicts. In the light of the magnitude of the difficulties that exist around us and even within us, we can find ourselves floundering to discover practical, effective solutions. How can something so large be helped by someone as small and seemingly insignificant as me? While whole systems and structures may be out of the league of our personal influence, are we really that helpless in the midst of all of the turmoil, sadness, and suffering?

If we believe that God is with us and that God is still working to bring about the glory of God’s kingdom, then the answer is no. We are never helpless or without hope. Armed with a strong life of prayer, we can always flee to God and ask for inspiration, wisdom, and especially love. We are all blessed with unique gifts and talents and it often seems that considering all that the world lacks, love and charity remain at the top of the list. Life can easily become a battleground of hostility. Because life is challenging and difficult, anger is not far away. We see it on people’s faces and hear it in their voices. There is a measure of frustration that permeates all avenues of life. It is even felt in the air. As people of faith, we know that what we see here is not the end but only a part of something far greater to come. We know that God’s kingdom is where we are ultimately meant to be, and the Gospel is the way to get there. If love and charity can prevail in us, then God will be able to do what God does best. God will use us to scatter the seeds of his kingdom. Through our small gestures, those seeds can receive the nurturing attention that is necessary for them to bear great fruit. We cannot fall victim to the strife that is around us. We have to keep ourselves refreshed and focused so that even in small ways, we can become part of the solution, not the problem. Love and charity, which come from God, can help to heal the ills of the world. May we bring these simple gifts to the everyday simple tasks of our lives! Watch how big the plant grows! ©LPI

QUESTIONS OF THE WEEK**First Reading:**

The prophet Ezekiel’s image of God growing Israel into a mighty majestic cedar tree bearing fruit, with birds nesting in its branches was intended to be words of comfort for the exiled Israelites in Babylon. How do you find God’s comfort in times of distress?

Second Reading:

Paul encourages the believers in Corinth to be courageous in knowing one day all will appear before “the judgment seat of Christ.” How confident are you in reflecting on judgment day?

Gospel:

Mark tells us that Jesus often spoke in parables to the crowds about the kingdom of God. Today’s parables speak to the often unseen and subtle growth of the kingdom of God in our midst. How might you better observe the kingdom of God at work in your life? ©LPI

LIVE THE LITURGY

Jesus compares the Kingdom of God to a mustard seed, the tiniest of seeds.

When planted, the tiny mustard seed grows into a tremendous tree with large branches. So too in each of our lives small things can have profound effects.

God can use one of our more insignificant gestures to radically change another person’s life. It may be the kindness of a smile, our willingness to accommodate someone, listening to someone’s story, helping someone who is hurting, standing up for someone who is right or complimenting someone on something they did. We all have God given gifts and talents. What are some of yours? Our task is to use our talents creatively, consistently, lovingly, and generously. Because we are always guided by the Holy Spirit, things that may be insignificant or unnoticed to us can profoundly change the life of someone else. While we may think we are small and insignificant, God can make us large and magnificent. All we have to do is open ourselves to being used. We trust that God will take care of the rest. ©LPI

Everyday Stewardship**Recognize God in your Ordinary Moments****St. Anthony Can Find Anything — Even You**

“Tony, Tony, come around! Something is lost and it must be found.” Did you learn this one when you were a kid? In my experience there are even a lot of lapsed Catholics — or people who were never Catholic at all — who know that when you lose something, St. Anthony becomes your best friend. Missing keys? Pray to St. Anthony. Can’t find your favorite sweater? St. Anthony. Forget where you parked your car in the mall lot? St. Anth— okay, you get the idea. Whatever it is, large or small, important or trivial, Tony has a reputation for finding the lost things.

It’s a devotion that can seem a little like superstition — witchcraft, even? — if you don’t really understand it. Mumble an incantation to a dead guy and you’re guaranteed to find your sunglasses. But as with most traditions that are old, beloved and effective, looking a little closer reveals the truth of the matter.

When we lose something really important, what do we do? We make the whole household stop what they’re doing to join the search. Having St. Anthony as a friend means you ask him to stop what he’s doing to help, too. And how he helps is by taking the matter exactly where all matters need to go — straight to the feet of Christ.

Here’s the real genius of St Anthony: he takes the most mundane, commonplace occurrence — misplacing socks — into an encounter with the divine and truly all things great and small are gifts from God. He grabs our hand and points to the cross.

“That’s what you’re looking for,” he tells us.

In the end, Tony doesn’t really find the lost things. He finds the lost people. — *Tracy Earl Welliver, MTS*
