Parish Mission Statement

St. Anthony Church is a parish where God's love nourishes the soul to actively minister to people and share the joy of the Gospel of Jesus Christ.

Welcome to the Community of St. Anthony Church. Regardless of your present religious affiliation or status in the Catholic Church, your marital situation, personal history or struggles, disability, age, background, race, ethnicity, or sexual orientation, you are invited, welcomed, respected, loved and encouraged to be a part of our faith community.

Per the Archdiocese

“The CDC is recommending masks and indoor social distancing again for the time being, and even in the absence of a civil requirement parishioners should be asked to wear a mask.

Spacing in church should also be maintained appropriately, including the communion line.”

Thank you!

Did you know... Lighting a Votive Candle

In Christian liturgy the candle points to Jesus Christ above all "the light of the world" (John 8,12).

At the same time, it represents the immortal soul of man and is the symbol of the Holy Spirit. Many believers light a candle when they visit a church to express their faith, prayers and hopes, or the memory of a loved one.

The tradition of lighting candles at Catholic churches is commonplace and adds a spiritual beauty to the atmosphere and maintains the intention of prayers. Candles, prayer, and the

accompanying alms offering provide parishes a spiritual and monetary means to sustain the multiple missions of the parish.

Pope Francis' Prayer Intention for January

For true human fraternity: We pray for all those suffering from religious discrimination and persecution; may their own rights and dignity be recognized, which originate from being brothers and sisters in the human family.

GOSPEL MEDITATION

Human history reveals many periods where people lost a sense of God's transcendence. It may even be argued that human beings have been wandering and lost more than they have been at home and focused. Human nature being what it is, we struggle with who God really is — the God of our salvation history or the "gods" of human constructs. Relying on our own designs and pursuits, we forget that we really are meant to listen to One upon whom the Spirit of the Lord rests, Jesus Christ, and not to ourselves. That same history that reveals our fickleness and infidelity also reveals God's constancy and faithfulness. God always finds us.

As people wander and fumble to find their way, God is there bringing them back to holiness and giving them the assurance of His presence. We have to allow God's Word, God's life, to touch us and change us. It can make us more flexible and attentive to the sacred in all facets of life so that every day is one that is holy. Every day is a time when fulfillment is possible for one's soul. Jesus stood before those gathered in the synagogue as the fulfillment of words of promise that were echoed long ago. God doesn't forget. He always comes for us.

Now it is time to remember to go to God. Sometimes our lives are so confused and tangled that it is difficult to see the Word and hand of God. But when we realize, deep within, the depth of friendship God offers to us it really has the power to turn sadness to joy. The promise is fulfilled. Going frequently to God's Word, allowing ourselves to be enriched and rejuvenated, and pondering the certainty of God's fidelity and promise permanently transforms us. We will be more aware of the sacred and the holy and less invested in things that pull us away. ©LPi

**QUESTIONS OF THE WEEK**

First Reading: Ezra and Nehemiah were the religious and political leaders of Judah in the mid-5th century BC. They grounded their leadership in Scripture ("the book of the law.") What role does sacred Scripture have in guiding your life?

Second Reading: Paul used the human body as an analogy for the "many parts" of the Christian community in Corinth that should unite as the "one body" of Christ. In what ways do you find this a challenging vision for community?

Gospel: Today's reading contains both the opening prologue to the Gospel of Luke and the initial reaction to Jesus' return to his hometown of Nazareth. Luke is the only Evangelist to provide us with a prologue outlining his motivation to write his Gospel. What details do you find most interesting from Luke's prologue? ©LPi

LIVE THE LITURGY

People can easily lose a sense of the sacred and transcendent. When we lose a sense of God's special presence, we need to be brought back. Ezra brought people back to the word of God and they realized what they were missing. Jesus proclaims God's word in the synagogue with true conviction and tells those gathered that he is the fulfillment of all that Isaiah taught. Even though people get lost, distracted, discouraged, and often journey down the wrong path, God's timeless law remains. When we allow ourselves to truly hear God's word and act on it, that living word slowly, over time, changes us. It has the power to soften and mold us, creating within us a joyful spirit. We realize the truth in what God speaks and become open to God's love. Gradually and gently God leads us back where we belong. We discover again the sacred character of life and the wonder of God's power. It is no wonder that Luke addresses his remarks to Theophilus. It is a name that means "beloved of God," a name that can be used by anyone who desires friendship with God. ©LPi

**EVERYDAY STEWARDSHIP
RECOGNIZE GOD IN YOUR ORDINARY MOMENTS
Plant Your Works in the Word**

One of the things about Scripture is that even the smallest word and shortest phrase can be critical to the overall message. When you take a quiet moment to rest with the Word, you find how quickly the most mundane sentence can reach out and grab you, pulling you into a deeper contemplation of some truth you hadn't even considered until then.

But we often fail to act as the Israelites in the Book of Nehemiah, standing before the Water Gate "listening attentively." Whether it's at Mass during the Liturgy of the Word or at home poring over the Bible, time after time we find ourselves less mindful than we could be. Our ears accept the sounds of the words and our eyes glance over the shape of the letters.

But are we mindful — truly? The best answer is hopefully at least sometimes. There are always tasks to be completed, problems weighing on our minds that we can't quite give over to God. We lose ourselves in these things instead of in Scripture. We "clock in" with Bible reading instead of "diving in."

We can never forget that the words of the Lord are spirit and life. They are the soil that quickens the seed of all stewardship. There is no mindfulness, no prayer, no graciousness, no gratitude or accountability or sense of commitment unless there is the Word.

So let us pray today for mindfulness, that our every action will be grounded in the law of God — giving it true spirit and life. — Tracy Earl Welliver, MTS ©LPi
