Altar Server Invite!

Jesus says: I have come not to be served but TO SERVE!

Other Reasons for becoming an Altar Server.

You learn why we do everything in the Mass: Sure, swinging the censer (the smelly incense thing) is kind of fun but why is it that we do it? By becoming an altar server you begin to learn these things and it makes all the symbols of the Mass so much more understandable and interesting.

You get fully involved in the Mass and get more out of it: When you start to understand why we do something you get so much more from it. By focusing and understanding what's going on, the Mass can then lead you into a much deeper relationship with God and you feel the impact of Mass far greater!

You learn some fantastic life skills: Communication, teamwork, perceiving what needs to be done and doing it, punctuality, self-confidence, and the list goes on. Serving on the altar is a great place to start building these skills.

You become more involved in the community: By taking up a responsibility at Mass you start to recognize more and more people in the church in general. This slowly changes your experience of the church community, from a group of random people you stand next to at Mass, to a large and diverse family who you care for more deeply and will increase your love and concern for the global Church family as well.

It helps you discern your vocation (purpose in life) better: Every vocation (whether marriage, consecrated singlehood, religious life or priesthood) is awesome and leads us to a greater and deeper understanding and relationship with God and others. Altar Serving is a great way to begin to see that beauty more fully.

Any child in 3rd grade or higher is eligible to serve at God's altar. Parents, if your son or daughter is interested, please email **Janet Gardella at janetgardella@optonline.net or call the office at 203-333-9065**. A date for the training will be determined.

Blessing of Fathers

God and Father of all creation,
we come before you today with humble hearts.
You are our model of a loving father.
When we fail and fall short of your expectations,
you are always there at the end of the day with open arms,
ready to heal the cuts and scrapes of the day
and to encourage us to try again and not to give up.
We hold up these men in our midst who act in the world
as fathers to their children or models of fathers for others.
Bless them in their moments of doubt and frustration with their children.
Give them warm and open hearts to forgive failures.
Provide them with the words needed for encouragement and perseverance.
We ask all this in the name of Jesus.
Amen.

Live the Liturgy

Good dietitians will remind us that we are not only the product of what we eat but the disciplines we undertake. Many people spend a great deal of time and effort eating a healthy diet, getting a sufficient amount of rest, and engaging in regular exercise. Experts tell us that attending to these increases our chances for a longer life. While this is certainly a worthy pursuit, is our earthly life really the one that requires the most attention and effort? Faith kicks in to remind us that we are meant to live forever with God. Hence, isn't it our eternal destiny that requires most of our effort and attention? The food and nourishment we need to achieve this goal and fine tune our souls for this promised inheritance are the Body and Blood of Christ. Only this heavenly sustenance will unite us with God and our brothers and sisters, strengthen us to do what the Gospel asks us to do and prepare us for life eternal. Through the discipline of prayer, our desire to receive our Lord is deepened. It is this yearning, above anything else, that we want clearly seen and front and center when we close our eyes in death. God loves us so much that he gave us his only begotten Son. Let us rush to receive him!

Convalidation of Marriage

Like other couples in your parish or family, you may be wondering if your marriage is fully recognized by the Catholic Church. Catholic Church law ordinarily requires baptized Roman Catholics to marry before a priest or deacon.

Catholics who exchange marriage vows in the presence of only ministers from other religious traditions or authorized civic officials (i.e.. Justice of the Peace) are not considered validly married in the eyes of the Catholic Church, which offers Marriage in the unique form of a Sacrament called Holy Matrimony: a sacrament similar in scope and power to that of Holy Communion/Eucharist. In fact, Holy Matrimony is meant to signify (a sacrament is a visible sign indicating a greater invisible and/or supernatural reality) the enduring and unbreakable love for Jesus Christ the Bridegroom for His Bride the Church.

If you feel as though you are in a position where Convalidation is possible, please call the Rectory to discuss the process involved. Couples who are not in a recognized Catholic Marriage should not receive Holy Communion and are not qualified to be Catholic godparent until the Convalidation process is complete.

Regardless of what happened in the past, the Catholic Church invites you to bring new meaning to your lives by embracing the vocation of marriage and dedicating your family's mission to sharing God's love.
