**"ADOPT A STUDENT"**

Dear Parishioners: Twenty nine years ago we embarked on a worthwhile project entitled the "ADOPT A STUDENT" PROGRAM. "The ultimate goal of a Catholic education is salvation in Jesus Christ," said our late Holy Father, St. Pope John Paul II. He further stated that "Catholic schools are the heartbeat of the Catholic Church." A gift to one adopted student helps him/her to receive the quality academic education needed to prepare him/her to learn, love and share his/her faith with others. The aim of this Program is to assist one or two children at Blessed Sacrament School with their tuition. It is designed specifically to financially assist children in grammar school who wish to receive a Catholic education but find it difficult to meet tuition.

This year we come to you again for the "TWENTY-NINTH ANNUAL ADOPT A STUDENT PROGRAM." If you wish to contribute to this Program, please clip the coupon below, attach your check and mail it to the Rectory, or place it in a separate envelope in the collection basket.

**RITUALS  
 FULL OR EMPTY?**

As families change – as they grow and relocate – traditions are bound to change. And this can create tension. We get a sense of these difficulties in today's Scripture. We hear part of Moses' address where he is about to teach them the statutes and decrees they must obey in order to enter the Promised Land. He tells them: "you shall not add to what I command you nor subtract from it." He is ready to set the whole law before them and warns them how essential it is that they get it right.

There was something more important at stake for the Israelites. The laws were a means to the end of maintaining their loving covenantal relationship with God. And that could not happen if they were not in the right relationship with their neighbors. Obedience to the law assured that people loved their neighbors and treated them justly. As Moses said, these laws were life-giving, just, a sign of wisdom and intelligence.

What are we to make of Jesus' reaction to some of these rituals and traditions? The rituals were all very much a part of Jesus' family tradition. It might appear as if Jesus has simply outgrown his family traditions and moved on to something new. But there may be something else going on here. Jesus is not against tradition. He does take issue with empty ritual. He insists that traditions and rituals are meant to help us, not burden us. Rituals and traditions, if we get them right, are the ties that bind us – to one another and to God.

There's a challenge in today's gospel for Catholics. Ours is a rich and beautiful tradition. We bless ourselves with holy water as we enter for Mass and again when we leave after Mass is over because it is a reminder of our baptism, that we are all sons and daughters of God the Father, brothers and sisters of Christ and filled with the Spirit of love. We offer ourselves to God, and God gives us Jesus in Communion. Talk about a tradition that is life-giving!

The danger is that we assume that in performing these rituals our work is done. For rituals to "work," to be effective, we have to work. We must love and serve our neighbors, forgive others as God forgives us, and must be "doers of the word and not hearers only." We must live the tradition - not simply perform the ritual.

Please call to enroll your child this week if you wish to be included in the program for the coming year.

**CURRENT COVID PROTOCOLS**

The Diocese recently issued new recommendations from the Bishop’s Office that state: “Regrettably, several of the counties of our diocese are experiencing a substantial uptick in COVID cases. Out of an abundance of caution, and consistent with CDC recommendations, our parishes may want to consider re-instating masking protocols. At the Pastoral Center (Bishop’s Office) we are asking all personnel to wear a mask upon entering the building, in all common areas, and when social distancing is not possible, regardless of one’s vaccination status. We further encourage all to do their part to stop the spread by washing their hands frequently, sanitize their workspace regularly and social distance when possible.”

**Respectfully, we ask that all follow the recommendations of the Diocese that strongly recommend and encourage the wearing of face masks (by all—including those who have been fully vaccinated) whenever we are inside church. In addition, we encourage the use of hand sanitizers and ask that all continue to follow the directions of the ushers.**

Unless you are arriving with a group or are part of a family we ask that you choose your seating in order to maintain a respectful distance from others. When possible, try to maintain a safe distance by leaving an empty pew between groups. Ushers will be glad to assist you in locating appropriate seating (this may include utilizing seats upstairs).

For the distribution of communion— all should proceed in lines down the aisles toward the front of the church beginning with the front pews and moving toward the back. Please try to maintain a safe distance. Fully vaccinated people (including Eucharistic ministers, if they desire) need not wear a mask. Those wishing to receive “in the hand” should approach the Eucharistic minister who will be standing at the head of the aisle, reverently receive communion and then return to your seat. Those wishing to receive “on the tongue” - upon reaching the head of the aisle may step to one side and proceed to the altar rail where they may kneel and wait for the Eucharistic minister assigned to the altar rail to approach them to offer communion. Reverently receive communion and then return to your seat. Move slowly, respecting others, and maintain as safe a distance as possible given the width of the aisles. This process may take a bit longer. We want everyone to stay safe and healthy.

**SENIOR PROGRAM AT ST. MARY’S**
