2021 THE YEAR OF SAINT JOSEPH

The Lord
gives bread
from heaven.

PSALM 78

©LPI

www.stjosephberwick.com

The last time you made bread or the last time you ate bread you probably did so without much thought of the process of making flour. The farmer harvests many acres of wheat that will become flour. The flour for bread is not made from one grain but from many. One grain is important but alone it would not be very filling.

Our parish is like that loaf of bread. Each grain is important but it is necessary for all the grains to come together to make the bread. I appreciate all the wonderful ways I see people involved in the life of our Church and the many different ministries they make happen. I just want to say thank you and God bless you.

*Your Pastor
Father William Barbee*
