Eternal God,
Be with our priests this day as they seek to minister to your people.
May you be a guiding and protective presence with them as they bring the consolation and hope of Your word and the grace and nourishment of Eucharist to those entrusted into their care.

Grant them the strength of mind and body,
keep them safe to do your will,
And give them the courage and peace to face each day with trust and confidence in You.
Into your hands O God, we commend them;
fill them with your grace and healing.

Amen.

Prayer before Mass

*By St Ambrose (340-397)
Father & Doctor of the Church*

Lord Jesus Christ,
We approach Your banquet table
as saints and sinners
and dare not rely
on our own worth,
but only on
Your goodness and mercy.
Gracious God of majesty and awe,
We seek Your protection,
We look for Your healing.
We appeal to You,
the fountain of all mercy.
Lord Jesus Christ, eternal king,
crucified for us,
look upon us with mercy
and hear our prayer, for we trust in You.
Merciful Father, purify us in body and soul
and make us worthy to taste the Holy of Holies.
May Your body and blood,
which we intend to receive,
unworthy as we are,
be for us the remission of our sins,
the washing away of our guilt,
the end of our evil thoughts
and the rebirth of our better instincts.
May it incite us to do the works pleasing to You
and profitable to our health in body and soul
and may it deliver us from evil.
Amen

When God Whispers

“You don’t need to shout. My hearing works just fine.”

Are you a parent that has used that one on your kids? I’m not sure at what age they realize that the volume of their voice doesn’t correlate to the likelihood of receiving a favorable reply — it might be sometime in the teenage years, when the talking slows down altogether.

But I’ve got to admit, it would be nice if God always gave us a loud and dramatic sign when He wanted something — the booming voice and the torn-open heavens (“This is my beloved Son!”) really get the message across. Sometimes I find myself envious of the Apostles, who were able to witness such things in person.

The fact of the matter is, in the year 2021, God is more likely to speak in a whisper than in a shout. The prophet Isaiah forewarns that Christ himself will not be a noisemaker — for all his preaching, he will not cry out or shout to bring forth justice to the nations. His way is altogether different than that.

We are not the Apostles, and we do not have the privilege of seeing the Holy Spirit descend on Christ like a dove. But here’s the good news: God doesn’t need to shout. Our spiritual hearing works just fine. We just have to be listening.

Let’s wake up each morning ready to hear God’s whispers throughout the day. Let’s make a conscious effort to invite those whispers into our hearts, where they can become a catalyst for grace in this world.

Location of Blessed Sacrament

Question:

Why do parishes have the Blessed Sacrament in a separate room?

Answer:

While many Catholics of a certain age have memories of the Blessed Sacrament being housed in the tabernacle on the high altar of the church, many parishes in the decades since the Second Vatican Council have chosen to build a separate space — a reservation chapel — where the Blessed Sacrament is kept. Although this practice is not universal, it is in keeping with the guidance offered by the US Bishops in their document *Built of Living Stones* (see nos 77-78). The goal is to create a space that is separated from the nave and sanctuary, but which is “integrally connected with the church” which can foster “reverence and can provide the quiet and focus needed for personal prayer.” This can be especially important for communities that have continuous eucharistic adoration, allowing people to come and pray in a space separate from the normal activities of parish life.

The practice of reserving the Eucharist in a separate space — or in a dignified location away from the altar where Mass is celebrated — is that it emphasizes the importance of the liturgy itself, which is the “source and summit” of the life of the Church.

As with many things in the Church, the practice of placing the tabernacle in the sanctuary or in a separate chapel is not universal (as can be seen in visits to historic churches in Rome and other places). The important thing is that as communities question where to place the tabernacle, they listen to the voice of the Church, explore the ancient and varied liturgical tradition of the Church, consider the needs and life of the community, and also take into account the architecture and limits of the spaces they might already have.

DIOCESE OF CAMDEN
Office of the Vicar for Clergy

January 2021

Dear Parishioner:

Monsignor William Hodge will be completing his six year term as pastor of Saint Mary Parish, Gloucester. It is the practice in the Diocese of Camden to conduct an evaluation of the pastor before the Priest Personnel Board makes a recommendation to Bishop Sullivan for possibly renewing the pastor's term for an additional six years.

The results of the evaluation will be shared with your pastor by the local Dean and a member of the Priest Personnel Board, so that he can hear about the fruits of his labors and/or to see areas where growth is needed.

We invite all of the members of the parish community to participate in this evaluation in a spirit of prayer, asking you to be honest and charitable. All surveys must be **completed within three weeks** of first appearing in your parish bulletin. To complete the evaluation, please go to the following link. If you are not able to complete the survey online, a printed copy is available at the parish office.

<https://www.surveymonkey.com/r/MsgrWilliamHodge>

Thank you for your willingness to participate in this important ministry.

Estimado/a Feligrés:

El Padre William Hodge completará su periodo de seis años como párroco de la Parroquia Saint Mary, Gloucester. Es la práctica en la Diócesis de Camden realizar una evaluación del párroco antes de que la Junta de Personal Sacerdotal haga una recomendación al Obispo Sullivan para posiblemente renovar el periodo del pastor por seis años adicionales.

Los resultados de la evaluación serán compartidos con su párroco por el Decano local y un miembro de la Junta de Personal Sacerdotal, para que pueda conocer los frutos de su trabajo y/o para ver las áreas donde necesita crecimiento.

Invitamos a todos los miembros de la comunidad parroquial a participar en esta evaluación en un espíritu de oración, pidiéndoles que sean honestos y caritativos. Todas las encuestas deben completarse dentro de **tres semanas después de aparecer** por primera vez en el boletín de su parroquia. Para completar la evaluación, por favor vaya al siguiente enlace. Si no puede completar la encuesta en línea, puede obtener una copia impresa en la oficina parroquial.

Gracias por su disponibilidad para participar en este importante ministerio.

Sincerely/Sinceramente,

Reverend Nicholas Dudo
Vicar for Clergy/Vicario del Clero

GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

January 10, 2021

The Baptism of the Lord

We need history. We need it in order to understand ourselves, personally and collectively. The pieces of our histories may not have always been the most positive, honest, exemplary, dignified, proud and best moments of our lives, but they are ours. We have to acknowledge, remember, accept, and often heal them. We cannot forget them or pretend that they never existed. As horrible as the atrocities of events like Auschwitz, brutal injustices committed throughout the human journey, or personal painful experiences in our own stories, we need to remember. These times when humanity in general or people in particular have lost their way are times that need to be reconciled and redeemed.

If we lose the memories, we will make the same mistakes again. The human soul needs a strong sense of affirmation, direction, and clear purpose. Without these essentials, we will easily run amuck and repeat the sins of our past. God's voice throughout history has spoken precisely about this! We are reminded through the voices and example of many prophets and witnesses not to make the same mistakes again, come back to center, discover the purpose given to us by God, maintain a sense of proper direction, seek healing for wounds and be reconciled to our Creator.

Baptism is so incredibly important for the salvation of humankind, not only eternally but here and now. Our existence depends upon it. It gives us the affirmation we need from God by gifting us with the same intimate relationship Jesus had with the Father. We are blessed with the direction and clear purpose we need in order to be productive stewards and faithful Christians. Baptism calls us to remember, accept, and deal with the sins and inequities of our past regardless of how hurtful and serious. We consciously choose to turn away from them and put on the new life of Christ. To do this well, we must look hard and long at our sins and failings, listen to what they are saying and learn from them. If we ignore the past, collectively or personally, or pretend that it never happened, we will never grow. We will surely die.

People need to hear the message, lived and spoken, delivered by the baptized members of the Body of Christ. It is an essential message of hope that is layered with visions of justice, peace, reconciliation, redemption, blessing, and healing. It is a message that helps us remember what has gone before, the graces and the sins, and bring ourselves by God's help where we need to be. We are called to do much more than sit home behind our closed doors. We have a message to deliver. Are we ready to do so?

The New Jersey Catholic Conference has just released an update on the Reproductive Freedom Act (S3030/A4848). Please visit www.njcatholic.org/reproductive-freedom-act for this updated information from the NJ Catholic Bishops. It includes the above information as well as other key points in this legislation. There is a webinar (information session) for you to view.

The NJ Bishops are asking all Catholics to reject this legislation and to contact our state legislators to vigorously express opposition to its passage. Please sign up for Action Alerts at this website under **Key Points on Reproductive Freedom Act**

New Jersey Reproductive Freedom Act

Your help is needed to stop the Reproductive Freedom Act, the most radical abortion bill ever proposed in New Jersey. If this bill is passed it will codify into law the extreme anti-life policies practiced in only a handful of nations

This includes:

- Babies can be aborted up to the point of birth.
- Pregnant teenage moms can abort their children without the abortionist or school official ever notifying parents.
- Late term abortions will be fully paid for by your taxes and your health insurance.
- Conscience protections for medical workers will be removed, forcing pro-life medical workers to assist in the abortion procedure.
- Non-physicians can perform risky and unsafe abortions on women.
- Annual funding for Planned Parenthood will be mandated despite the budgetary process and priorities of future administrations.

What can you do?

Contact our legislators who will be voting on this measure.

District 5 Representatives:

Senator Nilsa Cruz Perez – (609)-847-3700

Assemblyman William Moen – (856)-547-4800

Assemblyman William Spearman – (856)- 547-4800

Here is a script to guide you through the call:

Hello my name is _____. I am calling about the Reproductive Freedom Act. This is the most dangerous and radical abortion bill ever proposed in our state. It violates conscience protections, puts women at risk in late term abortions and abortions performed by non-physicians, and prohibits any protections for babies in the womb – even up to birth. I urge Senator/Assembly_____ to vote NO. Can we count on him/her to help protect women and children from this unsafe law?

The bill is most likely scheduled to be heard in committee within weeks. We can never consent to such horrific acts of violence against defenseless babies.
