## GOSPEL MEDITATION

### Encourage Deeper Understanding of Scripture

In his Apostolic Exhortation, *The Joy of the Gospel*, Pope Francis references a thought from Pope Benedict XVI: "Being a Christian is not the result of an ethical choice or a lofty idea, but the encounter with an event, a person, which gives life a new horizon and a decisive direction." Today we celebrate an encounter with the Person of Jesus Christ! This simple but holy event in time dramatically changes human life, pointing it toward a new horizon and giving it a decisive direction. This is a message and truth that is not meant to be shared with only a select few who qualify but with the entire world. Pope Francis continues saying, "Thanks solely to this encounter or renewed encounter with God's love, which blossoms into an enriching friendship, we are liberated from our narrowness and self-absorption. We become fully human when we become more than human, when we let God bring us beyond ourselves in order to attain the fullest truth of our being."

Look around at people. Where is life heading for them? What gives them direction? Even we who are people of faith can get distracted and lose our focus. God, in all of His fullness, is revealed in Jesus Christ and we can encounter Him! God is tangible, real, vulnerable, poor, and full of wonders, surprises, and opportunities. For those who are struggling and lost, today is a day of great joy. All they have to do is reach out and touch the truth of Christ. This presence is revealed in the poor, exploited, and vulnerable ones who cry out for compassion and love. But it is also found in the faithful ones who see in the Epiphany of God a liberation from structures and systems that hurt us, a narrowness of mind and heart that constricts us, and an absorption in our self-agenda that prevents us from seeing anything other than ourselves as important.

We have been given the charge of preaching this Good News. If only we could find a way to be more effective, it might stand a chance of doing what God intended it to do. There is always tomorrow and our memory of that bright new light that shone so brilliantly that Bethlehem night pointing us to truth and reminding us that we are loved.

#### **ADORATION FOR LIFE**

"If everyone prayed one hour of Adoration a week, there would be no abortion "  
Mother Teresa

The Eucharist and Prayer has sustained the Pro-Life movement since the regrettable decision to legalize abortion in the United States in 1973.

We are as close as we have ever been to overturning Roe vs Wade.

Please be a voice for the unborn and sign up for an hour ( or 1/2 hour) of Adoration here at St. Mary's on THURSDAY, JANUARY 20th anytime between 12 noon and 7 pm.

We need as many parishioners as possible to ask our Lord, the Father of all Life, to end Roe and the brutal practice of abortion. We are also praying that as a Parish we can better support mom's in need.

With God All things are possible.

Sign up sheets are on all the tables in the back of church.

God Bless You,

Pro-Life Ministry

Dear St Mary's Parishioners,

My Granddaughter, 2nd Lt US Army Alexa Long was deployed to Lithuania, South West corner of the Baltic Seam North of Poland and east of Russia about 4.5 months ago. Her tour of duty is for 9 months. However, in her letters Alexa mentions how her soldiers would appreciate a *care package* from home. I am sharing a copy of her letter with you written to her mother, Colleen. It is self-explanatory.

Alexa attended St Mary's Grammar School in Gloucester City, NJ and graduated from Gloucester City High School and completed her ROTC training at Rutgers University in New Brunswick. After graduation she was inducted into the US Army. I am asking you to respond as soon as possible to her request for her soldiers. Please do not sit on the request as time is of the essence. All organizations and individuals are responsible for the cost of gifts and postage. Pray for her team of young soldiers who are serving our country.

Thank you from her Grandmother, Olive Driscoll

*If anyone is looking for an opportunity to do something for others for the holidays, my Soldiers would greatly appreciate some care packages. There are 21 Soldiers, 17 males and 4 females, most in their 20's. Snacks, non-perishables cooking ingredients, hygiene products, or stuff to do during their downtime are somethings they'd like, especially American products. Mail can take about a month to reach us. Thank you in advance to anyone who sends something, my Soldiers will really appreciate it. Mailing address is:*

Dear Family and Friends,

My good friend Jim Noonan has just finished an 8 year-long project, a royal biography which is so rich in history, fun fact, glamor and drama. In fact, if you liked Downtown Abbey you will love Alix & Minnie: A Royal Trilogy. This 3 book series is the next Downtown Abbey, in fact, we hope it will go to film one day soon. In the meanwhile, for all interested in great books...please go to Amazon and type in either James Charles Noonan or Alix & Minnie to find all three...the story of 2 sisters who rose out of obscurity to the mightiest thrones in Europe between 1853-1929-with intense drama in their extended families. I love the series and hope you will too, and that you will spread the word

far and wide!!!

And it is a perfect gift!

Thank you, Monsignor Hodge

## LITURGICAL LIFE

# RESPONDING *to the Call*

### EVERYDAY STEWARDSHIP

#### Recognize God In Your Ordinary Moments

##### The Light of the Moon

If you own a television that has been turned on at any point in the last month or so, chances are you've caught at least a scene or two of the 1946 classic film "It's a Wonderful Life."

If you're not familiar with the movie, it follows the life of George Bailey from childhood through adulthood. A dreamer by nature, George has big plans for himself that involve world exploration and adventure — but family and community obligations keep him tethered to the same spot on the map, leading an altogether ordinary life.

One of the most memorable scenes from that movie is of George dancing with his sweetheart Mary while they sing "Buffalo Gals — Won't you come out tonight/And dance by the light of the moon?"

That lyric always catches my ear. Of course, the moon doesn't have any light of its own. All the moon has is the ability to reflect the light that shines upon it.

The same holds for us, doesn't it? Our stewardship is purely a reflection of the grace granted to us by another. "Upon you the LORD shines," writes Isaiah, "and over you appears his glory." Every good action we will ever take begins in the mind of God. The fact that we have the honor of carrying it out on His behalf is a beautiful gift. It is God that makes our ordinary lives extraordinary.

In the end of the movie, George Bailey realizes that he had a far greater life because, instead of being the hero of his own story, he allowed himself to reflect goodness onto others.

Remember — the magi didn't chart their own course. They merely followed the star.

— Tracy Earl Welliver, MTS

### WHY DO WE DO THAT?

#### Catholic Life Explained:

##### Question:

What happens to a consecrated host if it accidentally falls to the ground?

##### Answer:

This is a very practical question because, as we all know, accidents happen, even during the most careful celebration of the liturgy. The short answer to this question is that nothing happens to the consecrated host. The Real Presence of Jesus remains in the consecrated host or any consecrated wine that might accidentally be spilled.

Another question we might ask is: How should the ministers respond if the Eucharist is dropped or spilled? If this happens, the priest, deacon, or extraordinary minister of holy Communion should immediately pick up the dropped host and consume it. If it is a case of the Precious Blood being spilled, the minister would use the purificator (and additional purificators if needed) to clean the spill and then the area should be reverently washed as soon as the Mass is over and the water poured into the sacrarium (a special sink that is located in church sacristies for reverently disposing of holy water, the water used to clean sacred vessels, etc.).
