Monday's - 9:00 a.m. - 3:00 p.m.  
First Friday - 9:00 a.m. - 7:00 p.m.

Dear Parishioners –

One of the things we all need to do is be more grateful and thankful for the blessings we have and the people around us. I want to thank everybody for their prayers and support for one another and the parish during the pandemic. I was particularly impressed by the good stewards who helped clean the pews after each Mass week after week, the ushers who helped seat the people with distance spacing, the many who signed up for electronic fund transfers (EFT's) when they couldn't bring their envelopes to Mass, the gentleman who recently refinished the pews damaged by the cleaning solutions, and you, so many of whom have come back to Mass. Somebody jokingly said, "They might just get used to watching the Mass on TV in their pajamas with a latte in their hand and the newspaper by their side." But if there's anything we learned in the past month from the Gospel of John, if we want to share in the life of Jesus, we must eat the "Bread of Life", Jesus in Holy Communion. And we can't do that through television.

Today's readings call for us to make a choice. At Shechem, Joshua invites the Israelites to make a choice. It's either the God who liberated them from Egypt or the gods of the Amorites. The people and Joshua made the right choice. The gospel shows Jesus offering Peter a choice as well. He could stay with Jesus or go with the many who left because the teaching of Jesus was "hard to endure." Peter made the right choice. May we always do the same even when we find His teachings through the Church "hard to endure."

Please pray for Haiti and Afghanistan.

*Fr. Carl*

*"If it does not please you to serve the Lord, decide today whom you will serve...As for me and my household, we will serve the Lord." JOSHUA 24:15*

When we commit to serve the Lord, we must be willing to become a disciple in the work of the Lord. A disciple is a person who spends time in prayer every day, joyfully participates in charitable works and generously supports their local parish and Church mission. If we say we serve God, we must actually do something and not merely talk about it!

LOCATION: ST. JANE FRANCES HALL • 8513 ST. JANE DRIVE • PASADENA, MD

The weekend of July 25th, marked the 52nd anniversary of Pope St. Paul VI's encyclical (a letter that encircles the world) *Humanae Vitae* (on Human Life) in which the Pope talked about marriage, life, and children. It was the most widely discussed and most hotly debated yet most prophetic encyclical of the 20th century. While it was the center of controversy, very few people actually read it. So we will print a little bit of it each week to hear not from the "talking heads of the media" but from the Church itself about these most important matters.

Fr. Carl

*Humanae Vitae*

ENCYCLICAL LETTER  
***HUMANAE VITAE***  
(continuation)

***Responsible Parenthood***

**10.** Married love, therefore, requires of husband and wife the full awareness of their obligations in the matter of responsible parenthood, which today, rightly enough, is much insisted upon, but which at the same time should be rightly understood. Thus, we do well to consider responsible parenthood in the light of its varied legitimate and interrelated aspects.

With regard to the biological processes, responsible parenthood means an awareness of, and respect for, their proper functions. In the procreative faculty the human mind discerns biological laws that apply to the human person. (9)

With regard to man's innate drives and emotions, responsible parenthood means that man's reason and will must exert control over them.

With regard to physical, economic, psychological and social conditions, responsible parenthood is exercised by those who prudently and generously decide to have more children, and by those who, for serious reasons and with due respect to moral precepts, decide not to have additional children for either a certain or an indefinite period of time.

Responsible parenthood, as we use the term here, has one further essential aspect of paramount importance. It concerns the objective moral order which was established by God, and of which a right conscience is the true interpreter. In a word, the exercise of responsible parenthood requires that husband and wife, keeping a right order of priorities, recognize their own duties toward God, themselves, their families and human society.

From this it follows that they are not free to act as they choose in the service of transmitting life, as if it were wholly up to them to decide what is the right course to follow. On the contrary, they are bound to ensure that what they do corresponds to the will of God the Creator. The very nature of marriage and its use makes His will clear, while the constant teaching of the Church spells it out. (10)

***Observing the Natural Law***

**11.** The sexual activity, in which husband and wife are intimately and chastely united with one another, through which human life is transmitted, is, as the recent Council recalled, "noble and worthy." (11) It does not, moreover, cease to be legitimate even when, for reasons independent of their will, it is foreseen to be infertile. For its natural adaptation to the expression and strengthening of the union of husband and wife is not thereby suppressed. The fact is, as experience shows, that new life is not the result of each and every act of sexual intercourse. God has wisely ordered laws of nature and the incidence of fertility in such a way that successive births are already naturally spaced through the inherent operation of these laws. The Church, nevertheless, in urging men to the observance of the precepts of the natural law, which it interprets by its constant doctrine, teaches that each and every marital act must of necessity retain its intrinsic relationship to the procreation of human life. (12)

# 3 EASY STEPS TO KEEPING YOURSELF & OTHERS HEALTHY!

WASH YOUR  
HANDS

DON'T TOUCH  
YOUR FACE

KEEP YOUR  
DISTANCE

## Help keep each other healthy:

- When entering Church, please sanitize your hands.
- If you are not vaccinated, please continue to wear a mask.
- Please do not congregate in the vestibules after Mass. You are welcome to gather outside of Church.
- The faithful are not to communally hold hands during the Lord's Prayer or shake during the sign of peace, unless they are members of the same household.

**Thank you for your support!**

## Catechist Needed!!

There is a need for an elementary catechist for this coming year's Religious Education classes. We have such a wonderful group of young people and families in the parish and need a couple volunteers to become teachers helping for our Sunday classes. Classes are the first two Sundays of the month.

If you would pray about it and consider helping for this coming year, please contact Melissa in the Parish office, 410-255-4646.

"We had a successful blood drive thanks to our church community and many folks in our surrounding area. We were able to collect 61 pints, thus saving 188 lives!! Yes, let that sink in.... 188 lives!! (who might perish if YOU had not donated blood) We were also able to encourage and obtain 7 brand new donors! That is great!

Anyone who is eligible ...but still has doubts about donating, please consider that by NOT donating your possible impact on surgery, cancer, ER, kids & other patients.

Many thanks to the all the volunteers who gave up their time on a Saturday to help. Without ALL of YOU our drive would not succeed. Please put December 4th on your calendar for our next blood drive. (Our goal is 90 pints- 250 lives)

## France Pilgrimage Update:

I know many of you have been wondering what the status is with our France pilgrimage. I spoke with Fr. Carl as well as Collette and we have decided to push back the trip from 2021 to 2022. There just seems to be a few unknowns and some hesitations with traveling this fall. Just recently, Fr. Carl learned that there was another Archdiocese parish planning a pilgrimage to France in 2020 for their 100th Anniversary year, and they are in a similar situation as us. They also went ahead and moved their trip to 2022.

So with that said, we are planning on moving the date to Fall 2022. The exact date is in the works. Collette has to get in touch with all of the hotels and airlines and work the new schedule on their end. We are looking at traveling anytime between the end of September to the middle of October. If you are interested in signing up for next year's trip, please call the parish office so we can add you to the list.

## High School Peers Needed

Religious Education classes cannot run smooth without the high school peers each year...really! The teachers really depend on having a peer help them in the classrooms.

So...who would be willing to help with classes in Religious Ed?

Classes: 1st and 2nd Sundays of each month from 8:10-9:45 (time for peers & teachers)

This is a great way to earn service hours for school and Confirmation! Contact Melissa Boyle if you're able to help!
