Filled with the Holy Spirit, Jesus returned from the Jordan and was led by the Spirit into the desert for forty days, to be tempted by the devil. He ate nothing during those days, and when they were over he was hungry. The devil said to him, "If you are the Son of God, command this stone to become bread." — Lk 4:1-3

Forty Days of Lent

What's all this about forty days? Lent is Ash Wednesday to Easter Sunday and that makes forty-six days. The answer is that we do not count Sundays in the forty days of Lent. You can also enjoy the Sunday as the Lord's day to celebrate.

Why not treat yourself to something as an encouragement to get on with Lent on Monday? It was quite early in the history of the church that the preparation for Easter took the form of forty days of special prayer and presence. The number forty was in imitation of Christ who spent forty days in the desert. The Christians in the Eastern tradition needed seven weeks to complete their forty days because they excluded Saturday and Sunday from their days of penance. The Western tradition excluded Sunday only so six weeks provided thirty six days, nearly enough. Still four days was needed to make up the forty. The solution was to start Lent three days before the first Sunday. They did this in the seventh century and so today we have Ash Wednesday, forty days and six Sundays before Easter.

Online Giving is a convenient and secure way to donate to our parish. It can be done as a one-time donation or setup for your weekly, monthly or holiday donations. To sign-up for online giving, go to our parish website www.resurrectionct.org and scroll down to you see the Give Online link.

EMAIL COMMUNICATION

The Church of the Resurrection has an email notification system which allows us to alert parishioners of news, information, cancellations, and other events.

Many of you are already receiving emails from the parish. If you are not, and would like to be added to our distribution list, please send an email to office@resurrectionct.org and in the subject line write Email Notification System. Other than the bulletin, the email notification system is our primary way of communicating.
