Prayer for Students

Dear Jesus,

Thank you for the gift of learning! I want to grow closer to you in everything I do at school. In math and science, help me to see your beautiful plan in the world. Help me to discover new stories and values as I read and write. In arts and music, help me to be creative. In sports, help me to treat my Teammates and my opponents fairly. Help me to learn new skills in technology.

Jesus, you are the perfect teacher.

Help me to listen with open ears, an open heart, and an open mind to all my teachers at school.

Help me to treat my classmates with care, kindness, and respect.

Thank you, Jesus, for school!

Amen.

Master's Manna is looking for a few new board members.

Bob McKenzie and Ray Demers (parishioners) are both board members and have found it very rewarding and are looking for a few new board members. We are looking for people that are passionate about helping families with food insecurity. Please email (rdemers00@snet.net) or call (203-631-0717) if you are interested and/or would like more details.

St. John the Baptist August 29th

Born 1st century CE, Jewish prophet revered in Christianity as the forerunner of Jesus. Sources for

his life are the four Gospels, the Acts of the Apostles, and the historian Josephus. His mother, St. Elizabeth, was a cousin of Mary, the mother of Jesus. His father was the priest Zechariah. As a young man, John lived in the Judean desert, either as a hermit or as part of a Jewish monastic community such as the Essenes. He attracted much public notice c. 28 CE as a prophet in the Jordan Valley. He preached the imminent wrathful judgment of God and called on his hearers to repent and be baptized. Jesus himself came to be baptized by John and shortly afterward began his own mission. John was imprisoned for criticizing the illegal marriage of Herod Antipas and was executed after Herod's stepdaughter, Salome, demanded his head as a reward for dancing for the king's guests.

Health & Wellness Corner

EYE HEALTH: *Glaucoma*

- **What is it?** A group of eye diseases that can cause vision loss and blindness by damaging a nerve in the back of the eye called the optic nerve
- **Early Symptoms:** Often none
- **Later Symptoms:** Loss of side (peripheral) vision, blind spots, blindness
- **Diagnosis:** Dilated eye exam with visual field testing
- **Screening:** American Academy of Ophthalmology (AAO) recommendations for comprehensive eye examinations:
 - For adults without risk factors for eye disease, a comprehensive eye exam should be performed every 5 to 10 years in patients <40, every two to four years in patients 40 to 54 years, every one to three years in patients 55 to 64 years, and one to two years in patients ≥65 years.
- For those with risk factors for glaucoma a comprehensive eye examination should be performed by an ophthalmologist every one to two years in patients <40 and ≥55 years, and every one to three years in patients age 40 to 54 years.
