13 year Anniversary

“Whoever wishes to come after me must deny himself, take up his cross, and follow me. For whoever wishes to save his life will lose it, but whoever loses his life for my sake will find it. What profit would there be for one to gain the whole world and forfeit his life? Or what can one give in exchange for his life?”

— Mt 16:24b-26

A Prayer for Workers

God our Creator,
Your Word worked wonders to create the heavens and the earth and all they contain.
Jesus Christ, our Savior and Brother, you labored alongside your foster father Joseph, living the life of an ordinary worker.

Holy Spirit, we are baptized into your life.
You live and move and have your being in us as we go about our daily tasks.

On this Employee Appreciation Day,
may all who work recognize their intrinsic value.
Show them that their worth depends not on any task, responsibility, or skill.

Remind them that their dignity lies in You, oh Lord.
In all of our labors, may we remember that we imitate You. Amen.

St. Pius of Pietrelcina September 23

Best known as Padre Pio, St. Pius was born Francesco Forgione in 1887 in Pietrelcina, Italy. As a young boy he suffered many illnesses including typhoid. He joined Capuchin Franciscans at 15 and took the name of Pius or "Pio" in honor of Pope Pius I. He was ordained in 1910, and at this time he received the marks of stigmata, the wounds of Christ, but they eventually healed.

Frequent illnesses continued to plague him as a young man. Padre Pio served in the Italian Medical Corps during World War I, but he was discharged early because of illness, which was likely tuberculosis. He was assigned to the friary in San Giovanni Rotondo.

In 1918, while continuing to serve at the friary, the stigmata appeared again, and this time remained until his death. Many faithful came to see him at the friary, his days were long, beginning with Mass at 5 a.m. then hearing confessions all day with breaks to bless the sick. A simple man, content to do God's will on earth and with the ardent desire to serve the sick and poor in whom he saw Christ, he urged a hospital, Casa Sollievo della Sofferenza (House for the Relief of Suffering), to be built in San Giovanni Rotondo. It opened in 1956. Padre Pio died at the age of eighty-one in 1968 and in 2002 Pope John Paul II proclaimed him "St. Pio of Pietrelcina."

Health & Wellness Corner Tip of the Week

As we approach cold and flu season, staying up to date with vaccines is important for maintaining good health. Here's a general guideline for vaccine reminders:

- Influenza (annually)
- Td or Tdap every 10 years
- Shingles (for individuals aged 50 and older)
- Pneumococcal vaccines (for individuals aged 65 and older or those with certain medical conditions)

COVID-19 booster shots (if recommended by a healthcare provider)

These general guidelines and recommendations may vary based on health conditions, travel plans, outbreaks, etc. Consult with a healthcare provider to determine your specific vaccination needs. Consider setting up reminders on your phone, using a calendar app, or using a healthcare-specific reminder app to help you stay on track with your vaccinations.
