SEPTEMBER 10, 2023

Blessing for the Fallen of 9-11

God of mercy,
in your word of Scripture, you instruct us to "Do to others as you would have them do to you." Give us today the courage to assist those around us who may need our assistance. Give us patience when we become impatient. Remind us to pray for all those who perished on United Airlines 93, American Airlines 11, United Airlines 175, American Airlines 77, and those in the Twin Towers and Pentagon. Give us a heart thankful for those who gave their lives as first responders, as did the men and women who ran into danger to be of aid.

We ask all this in the name of the One who first responded to our need for a savior, Jesus the Christ. Amen.

Congratulations to families of

**Madeline Brooke Loomis
Landon Wilder Rizza
Hunter Mark Romano
Isabella Rose Romano
Maxwell Drake Forant**

All were recently Baptized at Resurrection.
We welcome them to our parish family.

Saint John Chrysostom | September 13

Born in Antioch in the 4th century, and raised by his widowed mother, Saint John received a rigorous classical education. He was first called to the ascetic life, even spending time as an anchorite living in a cave near Antioch. However, this life of extreme mortification was hard on his physical body, and he eventually returned to the city to recover. Saint John was ordained in 298. He spent the next 12 years preaching in the Cathedral of Antioch, and it was most likely during this time that he earned the name Chrysostom which means "golden-mouthed." In 397 or 398 he was made archbishop of Constantinople against his will. This post placed Saint John in the midst of imperial politics. But he would not be drawn in. He kept a modest household without extravagance and refused to serve the sumptuous suppers for political supplicants that predecessors in the position had. He preached against corruption and decadence and fought for the reform of clergy even deposing corrupt bishops. Unfortunately, this high moral stance made enemies of powerful people at court and in the Church. They conspired against him and eventually Saint John was exiled to Armenia. He died in exile in 407. He was made a Father of the Church at the Council of Chalcedon in 451 and declared a Doctor of the Church in 1568.

Health & Wellness Corner Tip of the Week

Atrial Fibrillation

Atrial Fibrillation or AFib is an irregular, rapid heart rate that may cause symptoms like chest pain, heart palpitations/thumping, heart racing, fatigue, lightheadedness, dizziness and shortness of breath OR you may have NO symptoms at all.

- AFib occurs when the upper chambers of the heart (atria) beat out of rhythm. As a result, blood is not pumped efficiently to the rest of the body.
- Uncontrolled AFib may lead to stroke, blood clots or heart failure.
- Detecting AFib : see your health care provider who may order an EKG, Holter monitor or other tests.

Treatment may include medication, cryoablation, a simple medical procedure which eliminates the source of the irregular heart rhythm, or a pacemaker
