In their synagogue was a man with an unclean spirit; he cried out, "What have you to do with us, Jesus of Nazareth? Have you come to destroy us? I know who you are—the Holy One of God!" Jesus rebuked him and said, "Quiet! Come out of him!" — Mk 1:23-25

Health & Wellness Corner

February is American Heart Month. It provides a wonderful opportunity for us to focus on the organ that beats around 3 billion times, nonstop, in the average human lifetime. Your heart keeps you alive. It sends life-giving oxygen, nutrients, and natural medicine through your bloodstream to all parts of your body. That's what your heart does for you. What have you done for your heart lately? Why not take this month to pay attention to your heart's health? Here are six ways to do it.

1. Exercise to support.
2. Take time to relax and rejuvenate in nature.
3. Connect with friends and family.
4. Eat more heart-healthy food.
5. Get at least 6-8 hours of sleep.
6. Laugh, smile and play. Do something creative. Finish a project. Start a jigsaw puzzle.

If you are attending Mass for a loved one and would like to carry the gifts down, please notify one of the ushers before Mass.

You may also let an usher know if you need Communion brought to you at your seat.

Congratulations to families of

Hudson Luca Scotto
Benjamin Mark Patrick Paglinco
Sloane Kennedy Paglinco

All were recently Baptized at Resurrection.
We welcome them to our parish family.

St. Blaise | February 3

You may be familiar with the annual "blessing of throats" that many parishes in the United States use to

commemorate the beloved bishop and martyr. It may also be done as a general blessing. St. Blaise lived in the fourth century in Turkey and Armenia. Due to religious persecution, he was forced to flee and hide in a cave in the back country in order to save his life.

History has it that one day a group of hunters stumbled upon where St. Blaise was living. They found the bishop kneeling in prayer, surrounded by wolves, lions, and bears that he had tamed.

The legend has it that as the hunters dragged Blaise off to prison, a mother came with her young son who had a fish bone lodged in his throat. At Blaise's command, the child was able to cough up the bone and thus lived.

Today we remember the saint on his feast day by taking two candles, crossing them against the throat, and saying the following prayer:

Through the intercession of St. Blaise, bishop and martyr, may God deliver you from ailments of the throat and from every other evil. In the name of the Father, and of the Son, and of the Holy Spirit. Amen.
