Saint Valentine is the patron saint of love. Believers say God worked through his life to perform miracles and teach people how to recognize and experience true love. This famous saint, an Italian doctor who later became a priest, inspired the celebration of the holiday of Valentine's Day. He was sent to jail for performing weddings for couples during a time when new marriages were outlawed in the ancient Rome. Before he was killed for refusing to renounce his faith, he sent a loving note to a child he had been helping to teach, the daughter of his jailer, and that note eventually led to the tradition of sending Valentine's cards.
