Health & Wellness Corner

Tip of the Week

Gout

Is a form of inflammatory arthritis characterized by:

- Severe pain, warmth, redness, swelling of one or more joints
- Stiffness and limited movement of the affected joint
- Most commonly the big toe in men and small hand joints in women

Caused by build up of uric acid crystals in the joints

Triggers: alcohol, sugary drinks (high fructose), organ meats, red and game meats, shellfish

Other factors: family history, age and sex (more common in men, women after menopause), trauma, dehydration

During the season of Easter, what a great time to remember our mothers and ask for God's blessing on them. It is God who ultimately gave us life. It is through God's unselfish love--mirrored in our mothers' willingness to associate their love with God's and take the risk to love us into life--that we have the opportunity for life. We remember our mothers this Mother's Day with much love. Let us pray for each of them:

God our heavenly Father,
you give to each the ability to share your generative love. Bless those women in our lives who mirror your love and bring forth life through their willingness to risk bringing new life into this world. Help us to show them our gratitude for the gift of life and the gift of a mother's love. May our life-giving God continue to bless them and show them his unfailing love. We ask this through Jesus, God's Son and our brother. Amen.

A simple THANK YOU does not seem adequate to say to all those who volunteered their time this week at our Parish Carnival.

All of you are truly wonderful and selfless.

Thank you to our Booth Captains, the Men's League, Confirmation students, the East Wallingford Fire Department, Mad Tents, those who purchased Raffle Tickets, to our electrician, Dave Tolla and to all who in a big or small way contributed to the success of the carnival. This would not have been possible without your support!

To all patrons, sponsors & guests...
THANK YOU!
