Homily

Prayer of the Faithful

Profession of Faith

I believe in one God, the Father almighty, maker of heaven and earth, of all things visible and invisible.

I believe in one Lord Jesus Christ, the Only Begotten Son of God, born of the Father before all ages. God from God, Light from Light, true God from true God, begotten, not made, consubstantial with the Father; through him all things were made. For us men and for our salvation he came down from heaven, and by the Holy Spirit was incarnate of the Virgin Mary, and became man.

For our sake he was crucified under Pontius Pilate, he suffered death and was buried, and rose again on the third day in accordance with the Scriptures. He ascended into heaven and is seated at the right hand of the Father. He will come again in glory to judge the living and the dead and his kingdom will have no end.

I believe in the Holy Spirit, the Lord, the giver of life, who proceeds from the Father and the Son, who with the Father and the Son is adored and glorified, who has spoken through the prophets.

I believe in one, holy, catholic and apostolic Church. I confess one Baptism for the forgiveness of sins and I look forward to the resurrection of the dead and the life of the world to come. Amen.

## ***Nurses Ministry***

### **CPR and AED Devices**

We all have the power to **RESTART** a heart. There are more than 350,000 Cardiac arrests annually outside the hospital. Less than 10 % of those victims survive. Cardiac arrest can occur at anytime. Immediate CPR and use of a AED devices within 3- 5 minutes of a person's collapse can greatly increase survival. **Cardiac Arrest** occurs when the heart malfunctions and **STOPS** unexpectedly. This can be caused by an electrical malfunction that triggers an irregular heart beat (arrhythmia). This disruption causes the heart to stop pumping blood to the vital organs such as the brain and the lungs. Seconds after the heart stops, breathing stops and death occurs within minutes if the victim does not receive lifesaving treatment.

**The American Heart Association recommends the following Chain of survival:**

1. Prompt recognition and activation of EMS. Call 911
2. Implement high quality CPR
3. Rapid Defibrillation
4. Basic and Advanced Emergency Care
5. Advanced Life Care Support and Post Arrest Plan

**How can we as laypersons participate in saving lives and restarting hearts?**

1. Prompt recognition and calling 911
2. Providing high quality CPR
3. AED devices provide a shock. To the heart. By placing pads on the victim's chest by the bystander, the device is able to analyze the heart rhythm and if necessary will provide the layperson with audio instructions on how to deliver a shock if necessary.

Educations on these devices are part of CPR instruction and **anyone can save a life**. It is that **easy** to use the device.

The St. Damien Parish Nurses Ministry is in the process of procuring four AED devices (one for each church and one for the Parish Center) in coordination with a grant obtained from Atlanticare.

The Nurses Ministry supports Community wide education for all parishioners interested in CPR /AED training. We are coordinating education with Ocean City Fire and Rescue. There will be two options and the first is an online program with a short in person skill class. For those who prefer in person learning, we will have a class early Fall. We urge all to consider taking one of these classes and learn skills that may come in handy in your homes or out in the community. You can save a life. Cost of certification is \$35.00.

**Please contact Rosemary Kates MSN, RN, APN if you are interested in participation in one of these classes or have any questions.**

**Phone:** (856) 562-7235

*Go to <http://www.heart.org> for further information*

**The St. Damien Parish Nurses Ministry will be meeting on Tuesday, June 14<sup>th</sup> at 7:00PM in the Parish Center (1337 Asbury Ave., Ocean City, NJ). Please join parish nurses to learn more about this ministry and how as a group we can share our talents and resources with the parish community**

We welcome all retired and active nurses and other health care providers. We are currently looking for lay volunteers as we have found a great need for non- nursing skills to assist homebound parishioners. If you can help driving, running errands or just offering some companionship, please consider joining us or calling Rosemary Kates RN, APN for more information and to volunteer.
