Thomas Lanza, from the Office of Vocations, Diocese of Metuchen, will celebrate the 9:30 AM Mass at St. Paul's on Sunday, May 5, 2024. He will speak on Eucharist and Vocations. All the Religious Education students, High School students and young adults are invited to attend this Mass and the talk by Fr. Lanza.

Love Means More

Love Means More is a website from the USCCB that approaches topics like marriage, sexuality, and gender theory with dignity and respect. No argumentative language. No insults. No condemnation. Just reasonable articles that encourage thoughtful conversations so everyone can better understand the true meaning of love. Curious? Check out Love Means More today at lovemeansmore.org

Introducing Family Day

Families are the building blocks of society. Families provide love, security, education and a safe place for the children to grow up. Christian families are the most important places to nurture and foster faith formation in the children. In order to help the families in our parish community to grow in love and faith, we are introducing the practice of a Family Day. Each family in the parish is invited to designate a day in the year (except for Mothers' Day, Easter, Thanksgiving and Christmas) as their Family Day. It could be on an anniversary, or any other significant day that a family chooses. Families celebrating Family Day will be announced in the Bulletin. On that day, families are invited to come for Mass and there will be a blessing for them during Mass. We invite you to think about it and discuss it with your family members. Please call the office if you have any questions.

Proper Disposition on Bodily Remains

The USCCB has clarified acceptable norms for the proper handling of bodies upon death in the light of recent development in funeral practice technologies. The two processes of alkaline hydrolysis and human composting are not in keeping with the respect due human remains. For more details read to official USCCB statement at <https://www.usccb.org/news/2023/us-bishops-doctrine-committee-issues-statement-proper-disposition-bodily-remains>
