**Our Lady of Grace Ministry of Care & Service
Wishes to Extend Our Gratitude
to
Everyone Who Contributed to the Success of Our
September 10th Walk-A-Thon!**

Your contribution of time and compassion is truly appreciated. Whether you walked, sponsored and/or participated in any way, you made an invaluable difference. Without your support we would not be able to serve the less fortunate in the community and continue the mission of the Ministry of Care & Service.

There are many people who donated their time and talents to organize this event and we would hate to leave anyone out, but we hope you know how much all your hard work was appreciated! However, we do want to extend a special thank you to Fr. Marc who always supports our ministry.

God bless you all for your generosity!

Loving Father, we pray today for our catechists. We thank you for their gift of ministry in your Church. Grant them your wisdom that they may grow in the understanding and teaching of your Word. Grant them also your love that they may be fruitful heralds of your Word and lead others to love you.

Pour forth your Holy Spirit upon them to grant them wisdom about what is important; knowledge of the truths of faith; understanding of their meaning; right judgement about how to apply them in life; courage to persevere even in the face of adversity; reverence before all that is sacred and holy; and that loving zeal which leads others to a transforming encounter with your Son.

**St. Therese of the Child Jesus,
Doctor of the Church
Feast Day:
October 1st**

Thérèse was the youngest of 9 children, 5 of whom survived childhood. After her mother died of breast cancer in 1877, Thérèse moved with her family to Lisieux. In the deeply religious atmosphere of her home, her piety developed early and intensively. All 4 of her elder sisters became nuns, and at the age of 15 she entered the Carmelite convent at Lisieux, having been refused admission a year earlier. Although she suffered with depression, scruples (a causeless feeling of guilt) and at the end, religious doubts, she kept the rule to perfection and maintained a smiling, pleasant, and unselfish manner. Before her death from tuberculosis, she acknowledged that, because of her difficult nature, not one day had ever passed without a struggle. Her burial site at Lisieux became a place of pilgrimage, and a basilica bearing her name was built there (1929–54).

Bethlehem Christian Families' Olive Wood Crafts

Bethlehem Christian Families will be here the weekend of **October 15 and 16** selling their carvings made of olive wood from the Holy Land after all the Masses.

By purchasing an item you will be improving the Christian Bethlehem community's economic condition, which has been acutely affected by a drastic drop in sales. Sales diminished even before the pandemic began because pilgrims and tourists avoided the instability in the Middle East region. As a result, there is an absence of a strong export market. Therefore, by making a purchase you will be revitalizing this traditional art industry, which is slowly disappearing and you will be creating job opportunities for craftsmen and encouraging apprenticeship within the Christian community. The wood carvings make beautiful gifts, whether for Christmas, weddings, anniversaries or baptisms. And of course, they would look beautiful in your home!
