The Epiphany of Our Lord Jesus Christ

The Feast of the Epiphany of Our Lord Jesus Christ is one of the oldest Christian feasts, though, throughout the centuries, it has celebrated a variety of things. *Epiphany* comes from a Greek verb meaning "to reveal," and all of the various events celebrated by the Feast of the Epiphany are revelations of Christ to man.

Epiphany: A Fourfold Feast

Epiphany originally celebrated four different events, in the following order of importance: the Baptism of the Lord; Christ's first miracle, the changing of water into wine at the wedding in Cana; the Nativity of Christ; and the visitation of the Wise Men or Magi. Each of these is a revelation of God to man: At Christ's Baptism, the Holy Spirit descends and the voice of God the Father is heard, declaring that Jesus is His Son; at the wedding in Cana, the miracle reveals Christ's divinity; at the Nativity, the angels bear witness to Christ, and the shepherds, representing the people of Israel, bow down before Him; and at the visitation of the Magi, Christ's divinity is revealed to the Gentiles—the other nations of the earth.

The End of Christmastide

Eventually, the celebration of the Nativity was separated out, in the West, into Christmas; and shortly thereafter, Western Christians adopted the Eastern feast of the Epiphany, still celebrating the Baptism, the first miracle, and the visit from the Wise Men. Thus, Epiphany came to mark the end of Christmastide—the Twelve Days of Christmas (celebrated in the song), which began with the revelation of Christ to Israel in His Birth and ended with the revelation of Christ to the Gentiles at Epiphany.

Over the centuries, the various celebrations were further separated in the West, and now the Baptism of the Lord is celebrated on the Sunday after January 6, and the wedding at Cana is commemorated on the Sunday after the Baptism of the Lord.

Epiphany Customs

In many parts of Europe, the celebration of Epiphany is at least as important as the celebration of Christmas. While in England and her historical colonies, the custom has long been to give gifts on Christmas Day itself, in Italy and other Mediterranean countries, Christians exchange gifts on Epiphany—the day on which the Wise Men brought their gifts to the Christ Child.

In Northern Europe, the two traditions have often been combined, with gift-giving on both Christmas and Epiphany (often with smaller gifts on each of the twelve days of Christmas in between). (In the past, though, the main gift-giving day in both Northern and Eastern Europe was usually the feast of Saint Nicholas.) And in the United States in recent years, some Catholics have tried to revive the fullness of Christmastide. Our family, for instance, opens gifts "from Santa" on Christmas Day, and then, on each of the 12 days of Christmas, the children receive one small gift, before we open all of our gifts to one another on Epiphany (after attending Mass for the feast).
