“Zarządca, nie właściciel”

Bogactwo często utożsamiane jest szczęściem. Wielu myśli, że posiadając obfitość dóbr, o nic nie musimy się troszczyć. Chęć ich posiadania staje się więc często głównym celem życia. W tej filozofii życia chętnie powierzamy nasze dobra tym, którzy obiecują ich szybkie i duże pomnożenie. W ten sposób wyrażamy im nasze zaufanie. Doświadczenie życiowe mówi, że nie zawsze jednak dobrze na tym wychodzimy. Dzisiaj Jezus chce uświadomić każdemu z nas, że wszystko w naszym życiu jest Bożym darem. Wielkie zaufanie ma do mnie Bóg, kiedy powierza mi dar życia, talent, odpowiedzialność za bliskich, a może za wielu innych. Te wszystkie dary nie mogą mi absolutnie przesłonić Dawcy. Nie mogą zapominać, że służę jedynie Bogu. Wieczorna modlitwa jest dobrą chwilą, abym jako zarządca zdał sprawę Właścicielowi z tego co mi powierzył, a zwłaszcza z tego, czy wszystkim, co mi powierzył, służę Jemu. I podziękował za Jego zaufanie.

Liturgy of the Word - From the prophet Amos comes a warning to the people of the Northern Kingdom of Israel that God sees those who take advantage of or mistreat the poor and needy, and he will not forget a thing they have done. In Paul's Letter to Timothy, he asks for prayers for those in authority—that they be pleasing to the Lord. In Luke's Gospel, Jesus tells the parable of the dishonest steward, and says that a person must be trustworthy in matters big and small. For no one can serve both God and mammon.

Jesus instruct us to serve only one master

Many things compete for our attention on daily basis. Some of the things we do, we do in light of our faith and in the service of God; other things may draw us away from both. Jesus exhorts us to pay attention to our actions and our motives, for we cannot serve both God and the things of this world.

Why is it important that we register in parish?

Isn't it good enough that we go to Mass?

Registration is the official way we join a parish community. Many people think that because they attend a particular parish they automatically belong.

At times young adults who have moved away for years think they are still signed up under their parents. But membership requires signing up, formally enrolling you in a parish.

Registration is commitment to a community, a way to be included in the religious, social and ministerial activities of your parish. Your registration affects the parish many ways. Census number can determine how many priests are assigned to a church, what benefits and obligations the community had to the diocese, and how Masses, confessions and devotions are planned and scheduled. Registration shows you belong. It is also necessary for certain benefits, like scheduling sacraments, obtaining sponsor certificates, and getting donation statements for taxes. Most importantly, it lets the parish count on you, to call on you to assist in its mission.

Registering in your parish is a statement of faith and confidence in the life and work of your parish.

If you would like to register, please come to the rectory or fill out registration form and return in the collection basket.
