**Thank you**—to the many parishioners who have been mailing or dropping off their envelopes to the rectory office.

**E-Giving**—Thanks to those families who have been contributing to the parish electronically! Do you have an interest in contributing in this way? Just go to **Givecentral.org**, create your account, log in, and the rest is simple!

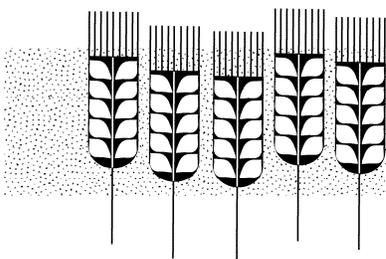

**The envelope system is an expense to the parish, so if you do decide to use GiveCentral, please let us know so we can discontinue your envelopes.**

### Prayer of Spiritual Communion—

When you are watching a Mass online and cannot receive the Eucharist in person, say this prayer:

My Jesus, I believe that you are present in the Most Holy Sacrament. I love you above all things, and I desire to receive you into my soul. Since I cannot at this moment receive you sacramentally, come at least spiritually into my heart. I embrace you as if you are already there and unite myself wholly to you.

Never permit me to be separated from you. Amen.

We are fed with  
the gift of finest wheat

Dear Parishioners:

Things are happening quickly now that we are coming out of the worst of the pandemic (thank you, God!). Next weekend we are back to our pre-pandemic schedule of weekend Masses. Please support your favorite Mass; every person counts!

On Friday, June 11, at 7 pm, we will hold a Vesper Service of Healing and Anointing, offered for all who have died or have suffered greatly in any way during the pandemic. Names of those to be remembered especially will be read. Please send us the names of your loved ones and friends to be included in this service (office@stanthonyffld.org or 203-259-0358). The choir will be praying with us, and the evening promises to be poignant and memorable. We as Catholics recognize the importance of ritual in marking and mourning those whom we have lost. Ritual can also help heal other losses felt as a result of the pandemic experience. Come, reflect, heal... *Edward*

**Service of Remembrance**—We will celebrate a Vesper Service on Friday, June 11, at 7 p.m., in concert with all the parishes of the diocese. This service of healing and anointing will be offered for all who have died or have suffered greatly from the impact of the pandemic. **Please contact the office with the names of those you would like to be remembered by name on that evening.** All are welcome; no reservations are needed.

**Breaking news!**—Calling all **gardeners**...do you like to play in the dirt? Weed? Sing to plants to help them grow? Whatever your particular bent is when working in the garden, we need your help! Under the leadership of Jerry Hemenway, we are planning a vegetable garden on the campus, with all the produce going to the Merton Center. We need your help to make this venture a success. Please contact Jerry at 203-727-8831 or hemenwayjr@yahoo.com for more information.

**Merton Center Collection**—The Merton Center is operating on a “take-out” basis only, distributing hundreds of breakfast and lunch meals weekly as well as maintaining a food pantry. St. Anthony’s continues to support this vital ministry. We will conduct a collection from **through Sunday, 6/6/21**. Merton staff has indicated that current needs continue to include **bottled water, cereal-to-take cups, individual size apple sauce, cereal/granola/power bars, rice krispie treats, small packets of cookies, etc.** These items are added to the meals that are distributed at the door. Our parish collection point is the back porch of the rectory. Thank you for your faithful generosity especially during these most difficult times.

**Calling all old/broken/tired jewelry**—If you were disappointed that we were unable to accept your jewelry for sale at the picnic last summer, now is your chance to clean out your collection and donate what you no longer want. Through the kindness of Mary Anne Sulik, aka, the Jewelry Lady, your donations placed at a consignment shop and garner some funds for the parish. There is a box on the back porch for your offerings. Thank you!

**Centering Prayer**—The Centering Prayer group is meeting virtually!

Please contact **Susan Lenahan at 203-858-8367** for details. **Wednesdays, 9:15 –11:15 a.m.** Centering Prayer is a simple and powerful way to access a deeper relationship with God which expands one’s receptivity to the presence and activity of God in one’s life. Zoom: <https://us02web.zoom.us/>

**Parish Registration**—To register with the parish, just fill out a lavender registration card found at the entrances to the church (or print one from the website) and drop it in the collection box, in the basket by the back door of the rectory, or drop it in the mail. Registering enables us to know you better and communicate more easily. Thank you.

**Bigelow Center**—Check out the doings in Fairfield at the Bigelow Center: <http://www.fairfieldct.org/bigelowcenter>

**2021 Diocese of Bridgeport Annual Catholic Appeal**—is now underway. Named “Arise,” based on Lord’s words to Lazarus, the bishop invites us all to “arise from the darkness” of the pandemic and “seek new life” in Christ. The appeal will provide funds for works of charity, formation in faith, education and catechesis. There are pamphlets explaining the appeal and how you can help on the table in the side vestibule of the church.

**Our goal for 2021 is \$111,100.**, down from \$126,000., in 2020 and 140,000., in 2019. To date, we have collected **\$53,700.**, representing 48% of goal. **We have an opportunity this year to help another parish in our diocese that is struggling because of the pandemic. Whatever amount we raise over our goal can be shared with a parish in desperate need of help.** Please prayerfully consider contributing this year.

**Sports and Enrichment Camps: Summer at Lauralton**—A non-profit sports and enrichment program catering to students entering grades two through eight. Campers explore fields of science, sports, Harry Potter and much more! Visit [summer@lauraltonhall.org](mailto:summer@lauraltonhall.org) or call 203-877-2786, ext. 175.

**CARE FOR OUR COMMON HOME** — This week’s concept, presented to help us all think more about how we can care for our Earth as presented by Pope Francis in his document **Pope Francis, Laudato Si:**

Climate change threatens our wellness which includes our lung health. Air pollution, allergens, extreme weather events such as flooding, drought, and wildfires, as well as elevated heat and humidity put our health at risk. Everyone is affected but especially people with lung disease, children, older adults, and often people with low income as they face greater risks due to poor air quality.
