COLLECTION FOR THE PEOPLE OF HAITI -

The island nation of Haiti recently suffered an earthquake which resulted in the deaths of at least 1,300 people and leaving thousands of others without food, shelter, and access to medical care. Next weekend, our parish along with other parishes in the diocese, will be given the opportunity to share in the relief efforts, through a special collection. The funds will go to the USCCB Emergency Disaster Fund and Catholic Relief Services and/or Catholic Charities USA and will help provide the humanitarian assistance so greatly needed following the disaster. Thank you for your generosity to this collection, which again , will be taken next weekend, and for your continued support of our parish and its mission. The Collection will be September 4th & 5th..

Usually the Sunday before Labor Day I have a prayer reflecting this theme. This year Labor Day and 9/11 are the same week. Wanting to have a prayer for both occasions, I am moving the prayer for Labor Day a week earlier. The prayer for 9/11 will be next week.

A PRAYER FOR LABOR DAY

For all who work to help make
the world function,
I pray.

For the unemployed and those who
work without a living wage,
I pray.

For families unable to support themselves,
I pray.

For those unable to work,
I pray.

For those who livelihood is threatened by technology,
I pray.

For families that suffer because of
workplace pressures, I pray.

For persons with decision-making
power but without a moral compass,
I pray.

For myself, I pray that I may act in these challenging times with your power Lord. Grant your grace to all of us, that your will may be done in the workplace.

Amen.

CRS SPOTLIGHT

On August 14, a 7.2 magnitude earthquake hit the western side of Haiti, causing what could be a significant number of deaths and damage. The cities of Les Cayes and Jeremie were particularly hard hit. In the six hours following the initial 7.2 magnitude earthquake, there were 10 more aftershocks at 4.0 and above.

Catholic Relief Services is on the ground in Haiti, ready to provide immediate and effective emergency relief while assessing the damage and determining what families most need in the coming days, weeks and months after the earthquake. You can donate to our emergency efforts to bring families immediate relief by visiting www.crs.org. Thanks for your support!
