## Hit the Pause Button (HPB)

### - What is HPB?

It's the time when you put the frenzy of the world on pause to be by yourself with God. Call it conversation with God, prayer times, spiritual breaks, recollection and more.

### - Why?

*"Because God has made us for Himself, and our hearts are restless until they rest in Him." St. Augustine*

### - When?

Start the day with this conversation with God, before you step out of bed, short hello, conventional prayer you know by heart, personal prayer, entrusting your day and your life to God. Of course at meal times, ask the Lord to bless the meal you are going to have by yourself or going to share with co-workers, friends and family.

There are many more times you can HPB; when you are sleepless, in the car, walking, having a break from work, or needing a break, on vacation, at work, when you are with the family, with your friends, with strangers.

Of course, at Church; before, during and after Mass and other times of liturgy, at Adoration of the Blessed Sacrament, when you go to receive the Sacrament of Reconciliation.

Sunday is the best opportunity: pray during this day consecrated to the Lord.

You honor the Lord's Day by going to Mass, praying and also by not working... at all!

St Louis Martin, father of St Therese of the Child Jesus, not only refused to work on Sundays, even when his spiritual director pressed him to open his shop on Sunday mornings, when potential clients were coming to town for Mass.

Beyond not working, he also refused to buy anything on Sundays, not even fresh bread.

As to not encourage other people to work on Sundays.

End the day by journaling, counting your blessings or consolations, your struggles/difficulties or desolations, writing what you heard the Lord tell you during the day, and end writing your Thanksgivings.

- Does that mean we have to pray all the time?

Why not? Saint Paul tells us: *"Pray without ceasing. In all circumstances give thanks." 1 Thessalonians 5:17,*

- Why? ... *"for this is the will of God for you in Jesus Christ." 1 Thessalonians 5:18,*

If it's the will of God for us, it means that it is what is best for us. Why not trust and just do it? The world tries to brainwash us, to remove our peace, and our freedom.

HPB protects us from all this, and puts everything back into perspective.

It allows us to remain in God's heart, God who is the master of life and history, the creator of the world, and our creator.

*Hit the Pause Button (HPB) from all the frenzy of the world.*

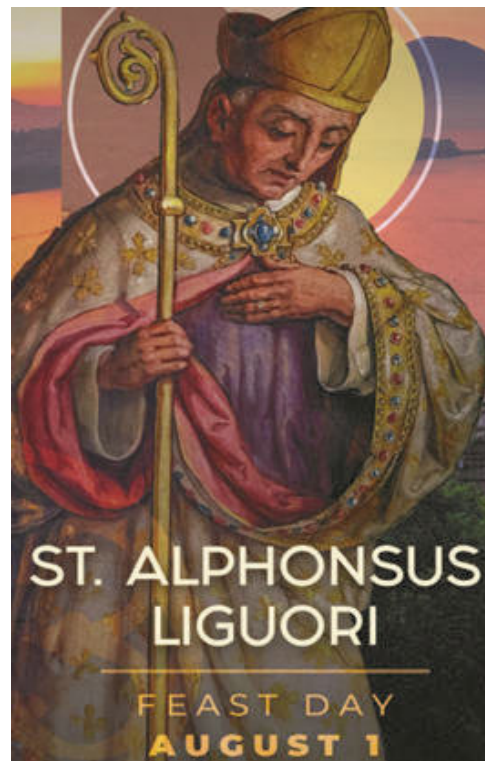

# LIVE THE LITURGY

INSPIRATION FOR THE WEEK

Greed is more present and powerful in our lives than we care to admit. We like our "stuff" and are hesitant to part with it. What we convince ourselves that we really need, we really do not. If everything we own is taken away from us tomorrow, life will continue. We will find happiness again. How many relationships are ruined because of inheritance issues? Our possessions cannot come with us when we die. Why do we foolishly think that we cannot live without them here? Wealth and happiness do not have physical origins. True wealth and happiness are gifts of God's kingdom and matters of heart and soul. We are much more than what we possess, and greed is more real and operative than we think. Let us begin our journey to detachment with an honest admission. We often place more importance on things than on people and God. Ask God to accept our conflicted hearts and give us the courage to do things differently.

The sanctuary lamp and bread & wine are available for memorializing. This is a very special way to remember a deceased family member or to celebrate a special event. The remembrance begins on Sunday and ends on Saturday of that week. Please visit the parish office to make your request.

## Saint of the Week

Saint Alphonsus was born into a well-respected family in 1696, in Marianella, in the Kingdom of Naples. He received an exceptional education through private tutors and was conferred degrees in civil and canon law at 16. He practiced law for 8 years before he turned to the Church. He was ordained a priest in 1726.

Saint Alphonsus traveled for 26 years in Kingdom of Naples preaching. His style of ministry was called "mission among the people," he and a group of priests or lay brothers would go to rural areas, staying for a time to teach, preach, and pray with the people there.

Saint Alphonsus was a brilliant preacher, he was able to connect with ordinary people and his teaching and sermons were marked by his compassion. In a time of restrictive Church rule, where fear of God was truly fear, Saint Alphonsus taught about God's redeeming love. He also had a special devotion to Mary, praying to her for intercession and including devotions to her in his teaching. He wrote extensively, more than 100 books which have been through thousands of editions. His books are still available today and have been translated into more than 60 languages.

In 1762 Saint Alphonsus was made a bishop by Pope Clement XIII, however, he was eventually allowed to resign his post because of his ill health. He was paralyzed for a time from rheumatic fever in 1775, and had rheumatism so severe it was deforming, bending his head so far forward that his chin rested on his chest.

He died peacefully at the age of 90 in 1787. He was canonized in 1839 by Pope Gregory XVI, and in 1871 he was named a doctor of the church by Pope Pius IX. In 1950 he was declared patron of moral theologians by Pope Pius XII.

Dear Faith Formation Parents

In just six weeks our year will begin again in Faith Formation. We have been reminding all of our parents to please register / re-register the upcoming year since April. Thank you to all of our parents who re-registered or registered in a timely fashion. There are still 63 parents who have not committed to the coming year. Unfortunately some parents have commented negatively regarding the late fee. Parents, you had since April until June 25. For Parents who are registering for the first time, it has been in the bulletin since April and you would have seen the announcement when you come to Church. Please, we keep our fees at a minimum so that we can at least cover most of our expenses. We need your co —operation. God Bless You!

—Sr. Vicky

# Veneration of Saint Pio Relics

The Saint Pio Foundation invites all to attend the veneration of Saint Pio's relics at the Cathedral Basilica of the Sacred Heart in Newark on September 12 and September 13.

A life-size statue of Saint Pio, titled "I Embrace You," will be on view during the veneration. This impressive sculpture, created by the renowned artist Timothy Schmalz, is a replica of the original, which was conceptualized and sponsored by the Saint Pio Foundation.
