+WŁADYSŁAWA WYZYKOWSKI

St. Thomas Aquinas reminds us that, “Three things are necessary for the salvation of man: to know what he ought to believe, to know what he ought to desire, and to know what he ought to do.” Everyone is called to work toward their salvation, which is ultimately union with God. Those who take this call seriously must embark up in a journey onward inward to the deepest recesses of their soul. In the adventure and wonder of that journey, we work

out the details of our union with our Beloved. We cling to what we need to believe, remain firm in what we truly desire, and are guided by what we know we have to do. Once we know that our goal is to be one with our Creator, life becomes an exciting expedition to pursue that end. We make necessary preparations, follow the map, and remain on course.

Whenever we really want something, we put our entire selves into achieving it. Being fully invested in our labor, we willingly work extra hours, devote an abundance of energy and effort, and remain vigilant for beneficial opportunities that may come our way. We certainly do not passively sit by doing nothing! Such an attitude leads to laziness and the accomplishment of little. Worse yet, some look to others to do work for them, hoping to reap the benefits of another’s efforts. Conscientiousness and diligence are the only means to success.

For the one who eagerly awaits the day when they can be fully with God, life becomes a joyous adventure indeed! Alert, ready, focused, convicted, and willing to be a servant they constantly watch and prepare themselves for meeting the Lord. Loving the journey and being in love with their Creator, their lives become joyful witnesses of love and service. They are secure in their hope, confident in their love. Never looking for recognition or gratitude, they stand as gentle inspirations of what the Holy Spirit can do in the hearts of those who believe. Because we do not know what tomorrow will bring, we stand ready to be used as God wills and run eagerly toward Him when He comes. How much do we desire to experience the joy of salvation.

CAUGHT IN THE RISING ACTION

Think of some of your favorite iconic movies. I'm not talking about the feel-good comedies or the offbeat coming-of-age flicks. I'm talking about the movies that you found had a profound impact on you or made you go "Hmmm."

I'm willing to bet that the plot of this film features some tough moments and difficult scenarios. However happy the ending, at some point, the situation for the protagonist might look awfully hopeless. The script speaks some truth to you about what it is to be human in difficult circumstances. What it means to persevere.

We're attracted to the tension that exists when the hero is besieged. We're captivated by the decisions he makes in the darkest hour of the night when it seems like the dawn will never

come. Why? Because we know that feeling so well. This is the essence of our human life on earth: waiting, hoping, doubting — and enduring.

We know the ending to our story, but we don't know when it's coming. We live our whole lives in the rising action of the narrative. Sure, it gets old. Tiresome, even dull. We may start to despair that the climactic scene is coming at all.

But faith is the realization of things hoped for, and evidence of things not seen. We feel it watching a great movie, because we recognize it intuitively: it is faith which earns the happy ending. No one is drawn to the story when the hero gives up or gets tired of waiting for the payoff. Everyday stewardship is the collection of choices we make while we're waiting, because we are called to action, not idleness, even in our perpetual state of expectation.

—Tracy Earl Welliver, MTS

ON AUGUST 10 WE CELEBRATE THE FEAST OF ST. LAWRENCE. CAN YOU TELL US A BIT ABOUT HIM?

Little is known about Lawrence other than he was a deacon during the reign of Emperor Valerian from 253–259. In 258, Valerian began a persecution of the Roman Church. Lawrence was in charge of the purse for the Church of Rome. Roman officials demanded that the riches of the church be handed over to them. Lawrence asked for a few days to gather them.

Lawrence took the money he had charge over and distributed it to the poor of Rome. Then he gathered all the homeless and poor together. When the officials came again demanding the riches of the church, Lawrence pointed to the destitute and homeless, saying that these were the true riches of the church. For this he was imprisoned and tortured, and put to death by burning on a gridiron. It is said that as he was dying, he told his executioners to turn him over

because he was done on one side and needed to be fully cooked for the Lord.

Lawrence continues to be a model for us today. The church needs continual reminders that its riches are the people. The primary purpose and mission of the church is to be continually sensitive to the needs of all God's people, most especially the least of our brothers and sisters.

Dear Faith Formation Parents

In just six weeks our year will begin again in Faith Formation. We have been reminding all of our parents to please register / re-register the upcoming year since April. Thank you to all of our parents who re-registered or registered in a timely fashion. There are still 63 parents who have not committed to the coming year. Unfortunately some parents have commented negatively regarding the late fee. Parents, you had since April until June 25. For Parents who are registering for the first time, it has been in the bulletin since April and you would have seen the announcement when you come to Church. Please, we keep our fees at a minimum so that we can at least cover most of our expenses. We need your co—operation. God Bless You!

—Sr. Vicky
