STEWARDSHIP REFLECTIONS

“...Do not let your hearts be troubled or afraid.” (JOHN 14:27)

Our limited human understanding cannot begin to understand the immense power of God. Instead of trusting in God, we often think we can control every outcome. Do you want to make God laugh? Tell Him your plans. The next time worry, anxiety or fear creeps in, thank God for all He has given you and trust that He has a better plan for you. Make God your first choice and not your last resort.

This week we celebrate the feast of Pope St. Paul VI who served the Church from 1963 until his death in 1978. This was a turbulent time in the world. Paul VI: The Misunderstood Pope is an hour long video seeks to place him in the context of history. The documentary film rediscovers a Pope whose holiness is now recognized by the Church since his canonization in 2018 by Pope Francis. Take some time to learn about this 20th century saint. If you have not already signed up for your free membership courtesy of OLL, simply follow these simple steps:

1. Go to FORMED.org/signup
2. Select your parish (use zip code)
3. Choose "I am a parishioner"
4. Register with name and email

CATHOLIC TRIVIA

Q: How many scripture passages from the Bible are usually read during each Mass?

A: Four

From the Pastor's Desk

©LPI

UNICO is the largest Italian American service organization in the US. This past Tuesday, the Verona chapter invited me to a presentation at our local public library. Msgr. Bruno Fasani spoke about his work as the director of the Chapter Library in Verona, Italy. Established in the fifth century, it is the oldest library in continuous use in the world. In the years following 312 when the Roman Emperor Constantine allowed Christianity to be legally worshiped, metropolitan churches formed collections of books for the use of the clergy. The "Biblioteca Capitolare" contains many ancient books and manuscripts that have survived the trials of time. This included a direct hit by a bomb during WWII that completely destroyed the building. Fortunately, most of the precious collection had been previously removed for safety.

This incredible institution is a testament to the work that people have done to pass the faith on to us today. We are blessed that we have such easy access to information in this digital age. Sometimes we forget how we have received the Word of God. In the Acts of the Apostles, which we read during the Easter season, we hear of the work of the disciples to spread the Gospel message that they received from Jesus. Beginning with the oral tradition, scribes eventually put words on a page so that we today can know what Our Lord said to His disciples and through them, to us.

This weekend, we hear of His promise of the gift of the Holy Spirit to serve as our Advocate before God. While Jesus prepares to ascend to Heaven, He assures the disciples and us that He is with us always. Today, we are blessed to be able to hear His Word proclaimed to us and to receive His Body and Blood in the Eucharist as strength for the journey. Take a moment to pray for all the people who brought the Good News from Jesus' lips to our ears.

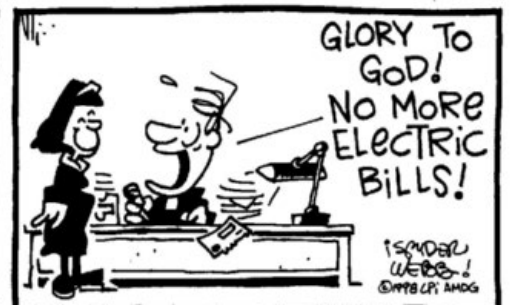

Pax et bonum

CONGRATULATIONS

Last Sunday Natalie Iris Cestaro received new life through the living waters as well as the graces of the Holy Spirit during their Baptism. Natalie is the daughter of Marc and Kelly Cestaro and the little sister to Caroline and Jack. Congratulations to the newest members of our parish! Please keep her and her family in your prayers!

6th SUNDAY OF EASTER

VACATION TIME

Is the open road calling you this summer? Are you headed out to explore the country? Don't forget about us while you're away! We now accept ApplePay, GooglePay, PayPal and Venmo! Visit giving.parishsoft.com/app/giving/ollverona before you hit the road, and sign up for our online giving program through ParishSoft eGiving.

AND THE WINNER IS

Last week, we pulled the winning ticket for the month of May in our Calendar Raffle. It was ticket #13 belonging to Camille Criscuolo! Congratulations, you are the newest \$700 winner!

WE ARE HIS WITNESSES

Time is running out to complete the Disciple Maker Index (DMI) survey! So far, 165 people from the parish have completed the DMI since the launch on 4/26. The Archdiocese of Newark is working on a pastoral plan involving all Catholic institutions in these 4 counties of northern NJ called "We are His Witnesses." The information gathered through the survey is essential in helping Our Lady of the Lake assess our greatest strengths and opportunities – so that our parish can thrive! If you're a parishioner over the age of 18, please take the DMI survey today! We need your response to help strengthen our parish and better prepare us for the future - as we strive to grow as disciples of Christ. This survey will be active until this Sunday, 5/25. You can access the DMI via our website or from Fr. Peter's weekly email. Paper copies are available at the parish office.

2025 ANNUAL APPEAL

The 2025 Annual Appeal is well underway. Congratulations, we have surpassed our parish goal of \$74,089! So far, 197 families from Our Lady of the Lake have pledged \$80,517. In 2024, 209 donors gave \$88,111. Let's see if we can surpass the number of donors this year. Because we surpassed last year's goal by 6/30/24, our assessment to the Archdiocese was reduced by 2% or \$13,290. We also received a rebate of \$16,853. In addition to helping the Archdiocese fund countless charitable projects, Catholic schools and educate future priests, we received \$30,000 back here in the parish. Thank you for your generous support of the Annual Appeal. To make your pledge today visit: RCAN.org/sharing. Pledge envelopes can also be put in with the collection at any time.

PARISH FELLOWSHIP

After the 10:30am Mass on Sunday, June 1st, the Welcome Ministry will be hosting coffee and donuts outside the Church by the ramp entrance (weather permitting—should it rain it will take place in the School Cafeteria). So, instead of rushing off to your car, why not come and spend a few minutes getting to know those who you worship with at Mass. After all this is your parish family – come join us!

CONVOCATION

Joseph Cardinal Tobin has called for a convocation of all the priests of the Archdiocese of Newark from Monday, 5/26—Thursday, 5/29. This will offer the over 400 priests to gather for prayer, reflection and spiritual growth. One of the major topics for discussion is how the Catholic Church can be best positioned for the future here in the Archdiocese of Newark. Please pray for the priests as they pray for you.

FAITH FORMATION

Registration for the 2025-2026 Faith Formation year has begun and current families should have received an important email this past week containing the form. Our parish program begins in grade 1 and runs through grade 9. In grade 2, students prepare for and receive their First Reconciliation and First Communion. The Sacrament of Confirmation is received in grade 9. Our goal is to assist the parents in teaching the faith to their children. Parents are the primary teachers for their children. As partners with you, we will assist the parents in the task of laying a solid foundation, encouraging spiritual growth, fostering discipleship and helping your children to develop a lasting relationship with God. The class options this coming year are as follows:

Grades 1-8 Beginning in September
 Grades 1—4: Sunday 10:00am—11:15am OR
 Monday 3:45pm—5:00pm

Grades 5—8: Sunday 10:00am—11:15am OR

The weekend of May 31-June 1 is our next "Welcome Weekend" where there will be Greeters at most of the doors of the church at the Masses on Saturday and Sunday. A greeter is usually the first-person visitors and parishioners meet when they enter the church. Greeters set the mood and spirit for those who have come to worship. For this weekend, we are in need of parishioners who would like to volunteer to be a Greeter at either the 7:30am or 12:00 noon Masses. If you are interested in volunteering, please contact the Parish office.

**WELCOME BACK**

Next weekend we will welcome Rev. Sebastian Anthonysamy to Our Lady of the Lake. He will be with us for the months of June and July. Fr. Sebastian is a priest of the Diocese of Kumbakonam in the Tamil Nadu region of India. He is looking forward to returning and spending time with us here in Verona this summer.

In celebration of Memorial Day, our parish offices will be closed on Monday, 5/26 and will reopen on Tuesday morning, 5/27 at 9:00am.

As we pause for this unofficial beginning of the summer season, please take a moment to pray for and remember all those men and women who offered their lives in service to our nation. Their sacrifice is the reason for our freedom.!

UNDERSTANDING THE LITURGY

It is a good idea to review a few important points about what we celebrate as Catholics and how we do it through the liturgy. If you have any questions about the liturgy or the Church that you would like addressed, please send them to Fr. Peter at Pastor@OLLVerona.org.

HOW DOES ONE BECOME A CATHOLIC?

This is a question that many of us don't really think about because it just happened. At least, that the way it was for those whom we refer to as "cradle Catholics." Our parents and godparents brought us to the local parish and had us baptized. Voilà, we were Catholic! We then went through either a Catholic school or the Religious Education program and over the course of the years, we received the sacraments of Reconciliation, Eucharist and Confirmation.

For those who were not welcomed into the Church through baptism before the age of 7 (what we consider the "age of reason,") the process is somewhat different. The Order of Christian Initiation for Adults (OCIA) is the process through which adults seek to become full members of the Roman Catholic Church. They may either seek baptism, if they were baptized in another Christian denomination and desire to convert to Catholicism or are Catholics who never completed the Sacraments of Initiation: Reconciliation, Eucharist and Confirmation. These individuals gather to learn about the faith over the course of 2 years and eventually then complete their initiation. Their learning consists of 5 stages; inquiry, catechumenate, purification, illumination and mystagogy. The inquiry phase is a period learning about the Church and her teaching. The catechumenate phase offered deeper study and preparation. Coinciding with the season of Lent, purification and illumination are characterized by reflection and prayer. The final stage, mystagogy, takes place after the celebration of the sacraments and involves ongoing formation and integration into the life of the Church.

If you or someone you know is interested in joining the Catholic Church or completing their sacraments of initiation, please contact the parish office so that you can begin the journey with us.

SEALED BY THE SPIRIT

Last weekend at the noon Mass, 10 individuals were welcomed into full communion in the Catholic Church. Baptized in the Methodist Church, Judy Sybist was welcomed into the Catholic Church. Nine others completed their Sacraments of Initiation: Dominick Allen, Jacqueline Allen, Nicole Booth, Anthony Cagno, Kimberly Cano, Selena Caraballo, Vincent Ciulla, Emily Ferrara and Joseph Iovine. Congratulations to these parishioners on this great milestone in their faith journey. Please keep them in your prayers as they continue on the pathway to Christ.

THE PIPE ORGAN

One of the sad facts is that there are many churches that no longer use their pipe organ. Some of these institutions have closed while many others have opted to bring their musical accompaniment in another direction. The Organ Clearing House was founded in 1961 by Alan Laufman who had a great devotion to the historic American pipe organ. Over the decades, the company has facilitated the relocation of more than 2,000 pipe organs. They seek to help churches, schools and private individuals acquire high-quality vintage pipe organs, preserve venerable instruments from abandonment or destruction and also champion the heritage of America pipe organ building. Of course, an instrument of this nature cannot just be delivered to a church. It is an involved project that requires many individuals who will then work to be able to prepare the space to receive the instrument, make any necessary repairs to the pipework and other mechanisms, upgrade the electrical systems as well as integrate new technologies. One of the instruments that we are exploring for possible installation is available through the Organ Clearing House. It is a 1984 instrument built by the Goulding & Wood company in Indiana. They built it for the First United Methodist Church in West Lafayette, IN. When the church building was sold to Perdue University, Goulding & Wood went back in and packed it up for storage until the parish decided how it would move forward. They eventually decided that they were going in a different musical direction and have decided to sell it so that it could be used and loved in a new home. Representatives from the Goulding & Wood firm will be coming out to Verona in the coming weeks to inspect our site and see if it would be a good fit for our use. They would also help us to be able to integrate some of our Peragallo organ into the design.
