To the Parishioners of St. John the Baptist,

While we know that everyone is working through the changes and daily challenges of the COVID-19 virus restrictions, we thank you for continuing your financial support of our parish, even while Mass is not being held.

Please know that we are being mindful of our expenses, but most of the parish bills and financial obligations still have to be paid and your continued support is critical! More than 60% of our regular offertory typically comes from your donations at Mass.

Please mail your offertory donation to the parish, or drop it off at the parish office. Another option would be to sign up for our e-giving option, Faith Direct, as explained below.

We are so thankful for your faithful and generous support of the parish. May God bless you and protect you and your families and continue to strengthen your faithful confidence in God’s providence.

-In Christ, Fr. Humberto Márquez

For nothing will be impossible with God.” -- Luke 1:37

During the month of April and early part of May, the Food Bank was struggling to provide quality protein sources (i.e., meat) to our clients. We had largely run out of the supplies donated by the Parish and SJB School and were offering only frozen pizzas, sandwiches, and the odd reheatable meal in place of actual meat. Most of the local stores were not offering any meat, as limits were in place due to shortages.

And that’s when the community and the Parishioners stepped forward with generous donations. Using the funds supplied by these gifts, the Food Bank was able to contact a local meat processing organization who works with ranchers in the region. We purchased four hundred pounds worth of excellent quality ground beef - meaning we can finally provide something more than just pre-packaged frozen dinners to our clients! We also were able to obtain some additional poultry and pork from the Community Food Share as well, though most of these came in larger (four to six pound) packages, which is great for our larger families but a little overwhelming to our smaller households. All told, this supply of meat should allow us to provide nourishing protein to our clients for at least a month’s worth of food boxes!

We wanted to share this very tangible use of your kind gifts to the Food Bank ministry. The donations that have been coming into the Food Bank, especially during the current pandemic emergency, have been most generous. We are hoping to continue to be able to purchase needed foodstuffs for our clients - and your unwavering support allows us to do so. From the hearts of everyone volunteering at the SJB Food Bank (and, of course, all of our clients!), we thank you for your support!

-Michael J. Merrell, Coordinator
