From the Pastor

Jesus scandalized these Jewish minds by claiming that, "I am the living bread," and suggesting that they must eat his flesh, the Bread of Life. We should make no mistake, in their minds Jesus was not speaking figuratively. It was the literalness of Jesus' remarks that scandalized them. And it would be scandal, if it were not true, but it is true. Jesus has the words of everlasting life, and he gives us himself to sustain us! We are disciples of Christ a lot of people do not recognize that Jesus is truly in the Eucharist. May we be the ones that change that, bring other Christians back into the fold of the Catholic faith.

Catholic Communication Campaign

will take place in our diocese the weekend of September 4th and 5th. The essential mission of the CCC is to contribute to the process of evangelization by fostering activities in relation to television, radio, internet, and other media, and through special projects of the Catholic press. An annual collection is taken up in the dioceses, which remit 50% of the funds collected to the National Office. From these funds, grants are made by the USCCB Subcommittee on the Catholic Communication Campaign. The remaining portion of the collection is retained by the dioceses for use in local communication projects.

PARISH FESTIVAL

October 16th

September 18th

This is the time to truly begin sending out the beacon for evangelization, an effort by Colorado Springs Catholics to look at how

they are bringing their faith to family, friends, the workplace and the marketplace.

Divine Redeemer will do its part in being an example of Christian faith in action to the community we serve. The first step is to invite parishioners to meet and discuss how to take specific steps in starting to Evangelize in the parish. For example, the Catholics Coming Home program we once did, learning how to defend the faith, supporting the parish efforts of community and education and many more things that we can begin in an effort to welcome inactive Catholics to return to regular Church involvement and those who live in the neighborhood to join us and be introduced to Christ. It is important to the Evangelization effort will be the expansion of our social media presence and personal invitation from us all. If you are interested in sharing ideas on how to better Evangelize in the community and learn about a possible Board for evangelization here at our Parish, you may wish to come to an initial meeting to be scheduled within the next few weeks. To learn more about the upcoming meeting, please contact Deacon Larry Rossow at LRossow@diocs.org

Friends have created a web page to help this new family with meals during this very special time. If you like to help out please visit:

"The best, the surest and the most effective way of establishing PEACE on the face of the earth is through the great power of Perpetual Adoration of the Blessed Sacrament." ~ Pope John Paul II

"A thousand years of enjoying human glory is not worth even an hour spent sweetly communing with Jesus in the Blessed Sacrament."

Pio of Pietrelcina

Divine Redeemer will be following in the footsteps of many parishes in our diocese and looking at increasing Eucharistic Adoration in our parish. As we go through the next few months, learning more about the history, miracles, and importance of Eucharistic Adoration, we are in need of the following:

1. Parishioners who are willing to partner in promoting Adoration. (Call to find out what that involves)
2. Parishioners who are willing to share their stories (5 minutes or less) of what Adoration means to them. We need some volunteers who will speak after Masses. Those who are unwilling to speak, but would like to share, just write a small paragraph which may be placed in an insert in the bulletin. Contact Michele Mason to find out more or to volunteer: prolifefamilyof15@gmail.com 719-659-2097.
