From the Pastor

In the Gospel Reading, the apostles see someone who is not among the group of Christ's disciples but who is casting out demons in the name of Christ anyway. When the apostles perceive the man doing a miracle in Christ's name, they tell him to stop it. Today we have many Protestant brothers and sisters who are doing great things bring others to Christ and God is working through them. We as Catholics need to be supportive of them learn from them is ways of Evangelization but they could learn from us how to be closer to God by means of the Sacraments and the unity of Faith that all Catholics share. Hopefully one day we will have what Christ's prays for that we all may be one.

Anointing of the Sick

A communal Anointing of the Sick Celebration will take place this weekend September 25th and 26th.

Is anyone among you sick? He should summon the presbyters of the church, and they should pray over him and anoint [him] with oil in the name of the Lord, and the prayer of faith will save the sick person, and the Lord will raise him up. If he has committed any sins, he will be forgiven James, CHAPTER 5 | USCCB
