ADMINISTRATION

The Music Ministry is seeking to hire a part time piano accompanist for the Adult Contemporary Choir that sings at the Sunday 12:30 pm Mass. Applicants need to be able to sight read and accompany a contemporary choir. Minimally, it would involve a weekly rehearsal and 2-3 Sunday Masses per month. For more information or for a link to apply, email communications@stmichael-aurora.org.

We are Hiring! St. Michael's is hiring for a part-time maintenance support staff position. Job responsibilities include janitorial work, basic upkeep of the building and grounds, and setting up for events. For a full job description or a link to apply, please contact the Parish Office at communications@stmichael-aurora.org or call 303-690-6797.

WORSHIP

Upcoming April Archdiocesan Special Collection Next week-end, April 26-27, our parish will contribute 5% of the weekend's Offertory to the Catholic Home Missions Appeal. Home mission dioceses are found in every region across the United States and its territories. Often their small Catholic populations are distributed across a large geographical area and have few priests to serve them. Your support of the Catholic Home Missions Appeal provides home mission dioceses with the resources to minister to growing, often multicultural, populations right here in the United States. To learn more about the appeal and those who benefit from it, visit www.usccb.org/home-missions. Envelopes are available in the communications cupboard in the Gathering Space.

CRS Rice Bowls It's time to return your filled rice bowls! You are welcome to fill them with change, bills, or even checks. We ask you to place filled bowls in the marked boxes in the Gathering Space through Divine Mercy Sunday (April 27). 75% of the funds collected will be sent to Catholic Relief Services (CRS) Rice Bowl food security projects worldwide which support agriculture, nutrition, education, and self-sufficiency among the poor. The remaining 25% is distributed locally within the Archdiocese of Denver to assist parishes with anti-poverty programs and food banks.

The Society of St. Vincent de Paul (SSVdP), a charitable organization dedicated to the service of the poor, was established by French university students in Paris in 1833, led by the Blessed Frederic Ozanam. SSVdP is active in 151 countries with 800,000 members. The first SSVdP chapter in the United States was established in 1845 in St. Louis, MO.

Membership in the United States totals more than 85,000 in about 4,000 conferences. The national headquarters is in St. Louis. Members of the Society are known as "Vincentians," after St. Vincent de Paul, the patron of the organization. Vincentians are organized into parish conferences, a group of volunteers who gather together to grow spiritually and offer person-to-person service to those in need or living in poverty.

SSVdP activities in Denver began in 1876. Fr. Terry Kissell initiated the formation of our conference in April 2011 and Fr. Felipe Colombo continues the strong support. The conference was aggregated in 2014 in Paris, France. We are one of 28 conferences that make up the Denver Metro Council of the SSVdP. We work closely and often with our SSVdP Denver Metro Council and other parish conferences. Our food collection goes to Catholic Charities' Little Flower and Ascension parish in the Montbello area of Denver where there is another SSVdP conference. We sometimes partner with Catholic Charities for financial assistance.

Our conference funding is based on a fixed amount from St. Michael's, Daniels Fund, outside grants, individual donations, your Kroger Loyalty Number and Safeway card purchases, the Friends of the Poor Walk, and your SSVdP Poor Box contributions. Through the Council office, we also partner with Energy Outreach Colorado.

A story behind the numbers

The conference receives many calls, some from people who speak only Spanish. A couple of us have used our I-phones and the translate app to carry on a conversation. While that approach works, it is inefficient and takes too much time. We are fortunate to have assistance from Marisol and Genesis in the parish office and now several Vincentians who are bilingual. The following are comments from a bilingual Vincentian colleague.

More than a year ago at a weekday Mass, Fr. Terry spoke in his homily about being of service to our parish. Gary Trudell, the president of St. Vincent de Paul conference, asked for volunteers because of the volume of Neighbors in Need (NIN) calls. I felt led instantly and went to speak to him afterwards. I explained my work situation and we agreed that I would help as a Spanish-to-English interpreter. After calls and home visits to NIN, I discovered, not only was I helping them, but I also learned more about humility and empathy. Helping a former clergyman get a caregiver; a family of four move into their own apartment; and numerous families with their utility bills—these are a few of the tasks with which I was privileged to assist. This has allowed God to chisel away the heart of stone that formed when I went through my own rough times. I am glad that I listened to Him.
