THE MOST HOLY TRINITY

SACRED HEART CHURCH OUR LADY OF PERPETUAL HELP HOLY ROSARY CHAPEL

Gospel Meditation: God's Inner Life By: Fr. Jarrod Waugh, CSC, Pastor

I believe that creation itself points towards there being a Creator. The fact that the universe has laws of physics, that those laws can be described and even predicted using mathematics, that those laws seem to be consistent across the visible universe, all of things, among many others, seem to me to point to there being a purpose for all of this. It isn't random chance and if there is a direction and a purpose in creation then that implies there is Someone with that purpose in mind. So I fall squarely in the camp that even without prophets or mystics or God coming into creation

Himself, intelligent beings could have deduced that they lived in a creation that has a Creator.

But it also seems to me that there are many aspects of God that we could NOT deduce just from studying creation, and yet these are some of the beliefs about God that most of us hold most dear. Could you know that God loves you from creation? Existing seems like a gift, so being given existence in the first place could possibly be understood as a loving act, but I tend to think that you end up more with a distant, "watch-maker" God if creation is the only source of evidence for what God is like.

I doubt that we would have figured out that God is Triune just from the order of creation, and the witness of our fellow faithful theists who practice Judaism and Islam (among many others) indicates to me that the Holy Trinity is not necessarily an intuitive truth. And yet, we Christians know that God, in God's own inner life, IS a Trinity of Persons—Father, Son, and Holy Spirit. There is only the one true God, but the reality of God's inner life is this communion of Persons who desires to invite US deeper into communion, both with God but also with one another.

When the eternal Son became Man, God made it clear that He wants the human race to be intimately united with Him. When Jesus, the Word Incarnate, ascended into Heaven he took with him his humanity. Since he is truly our brother and savior, this union of humanity with God has become a model, a path, a pilgrimage of all God's children into God's own life. The world tells us that God exists, but the Word tells us that God is love.

Save the Date: Parishioners are invited to join Fr. Jarrod to a pilgrimage to Montreal, Canada to St. Joseph's Oratory, Oct. 4– Oct. 9, 2023. More details coming soon.

Protect Pollinators

Bees, butterflies, and other key pollinators are necessary for most of our major food crops. Honey bees pollinate 80 percent of all flowering plants alone, including more than 130 types of fruits and vegetables. According to Farmers.gov, the ecological service provided by pollinators is valued at \$200 billion each year.

Unfortunately, bee populations have dropped alarmingly across North America, as have the populations of many other pollinator species. They are in serious decline due to exposure to parasites, pesticides, disease, habitat loss and other environmental contaminants.

If we all dedicate just a small area to protecting habitats for pollinators, using native plants and sustainable gardening practices, we can help safeguard our common home. Limit pesticide use and consider following these tips to start your own pollinator garden at: www.fws.gov/story/how-build-pollinator-garden

Reflection

*"The grace of the Lord Jesus Christ and the love of God and the fellowship of the Holy Spirit be with all of you."
(2 Corinthians 13:14)*

We hear this greeting at the beginning of Mass nearly every day. It comes from St. Paul's second letter to the people of Corinth. Some scholars suggest that this is the most trinitarian formula that can be found in any of his letters. All three persons of the Trinity are listed, and all are treated as of equal status.

Yet still, Paul does not speak in the same way that we have come to know the Trinity, that is, as Father, Son, and Spirit. And there are other curious things about Paul's benediction. Elsewhere, Paul speaks of the "Spirit of God" or the "Spirit of Christ", but here the Spirit is separate from both Jesus and God (the Father).

Today we also speak of Christ's love, and of receiving grace from the Holy Spirit, not just from Jesus. Fellowship, communion, participation are all different words that have been used to translate Paul's words about the Holy Spirit, but certainly, shouldn't this fellowship be with all three persons of God if it is to make sense?

Of course, Paul is writing his letters more than two hundred and fifty years before the Church's Council of Nicaea defined Jesus' place in the Trinity and gave us the vocabulary to better understand the nature of our Three-personed God.

Nevertheless, Paul's insight into God as three-in-one is helpful. Grace comes to us as the direct result of our baptism in Christ Jesus. The "love of God" reinforces the idea that it's not only true that God loves us, but that God IS love itself. And the relationship between the three persons of God mirrors for us the relationship we should have with God, and with our neighbor—a fellowship, a Communion!

May the grace, love, and fellowship of God inspire us all.

—Fr. Randy Rentner, CSC, Associate Pastor

ADULT FAITH FORMATION

Summer Classes, Sundays 10:15-11:15 am

This week, after the 9 am Mass in the St. André House, we're discussing the many different parts of the Mass. Next week on June 11, there will be NO Adult Faith Formation. We'll pick things up again on June 18 with a discussion on Luther and the Protestant Reformation.

Let's Cover our Priests in Prayer! Sacred Heart Parish has started a Seven Sisters Apostolate with the intention that a **Holy Hour is prayed each day of the week for the sole intention of Fr. Jarrod & Fr. Randy**. No meetings! No activities! Just pray! This requires a group of 7 women who each choose a convenient day of the week (one woman for every day of the week) to pray one hour on her own.

If you are willing to offer up prayer for Fr. Jarrod and Fr. Randy one day a week, contact Mona Egger, our parish coordinator, at 719-548-1957 or email tegger14@msn.com. Visit sevensistersapostolate.org/ to learn more about the Apostolate.

Holy Rosary News: We have a Community Meeting this Saturday, at 2:45 pm. Our next social will be after Mass on **Saturday, June 17**.

OLPH News: Our Feast Day is coming up on June 25! We need volunteers to help paint the teachers' lounge at Manitou Springs Middle School. Please contact Fr. Randy to sign up!

Parish Life

Dear Volunteers,

May 12, 2023

As I sit down to write this letter, both my stomach and heart are full.

The start-up company I worked for shut down a couple of months ago, leaving me without an income. Then I had a mental health crisis. There are medication shortages everywhere in America and I lost access to an important medication. Since then I have been unable to work. I started coming to Sacred Heart a couple of months ago after my friend told me about it. I never knew there was this sort of help in the world. I no longer have the gnawing dread of an empty Pantry because all my resources go to bills and healthcare. Now I can keep my Pantry full so I can eat, and my dog gets his food as well.

I feel an overwhelming need to express how thankful I am for your service to the community, and more personally, to me. I have wept with gratitude more than once as I put my groceries away. I don't think there's a way to adequately describe the relief I feel when I'm handed that bag of groceries every week. And I can say with confidence that every single person you serve feels the same way. Thank you again.

With Deepest Sincerity,

Thank you letter to our Sacred Heart Food Pantry from a neighbor who received our services.

The need for emergency food in our community is real and continues to increase. Each month the number of neighbors that we serve also increases. To ensure our continued service of this ministry, **we request monetary donations for our Food Pantry.** Drop donations in the collection basket (be sure to mark them for the Food Pantry), mail them to 2021 W. Pikes Peak Ave., Colorado Springs, CO 80904 or give online on our website sacredheartcos.org. Thank you for your support!

Father's Day Tributes

For the month of June, in honor of St. Joseph and Father's Day, **parishioners are encouraged to share a small tribute to their fathers (and grandfathers), both living and deceased, to be published in the bulletin.** Share a photo (optional), a name, or a few words that describe your father or what he has taught you. Send tributes to communications@sacredheartcos.org and they will be published in the bulletin during the month of June. Thank you for your participation!

Please pray for Fr. Randy as he celebrates his birthday on June 7.
