Spiritual Adoption Program Update

Month Five: Your spiritually adopted baby weighs over one pound now. His mother can feel his/ her movement now. Before he/ she was too small for her to feel. Although he/ she swam with ease in his/ her watery world, he/ she needed to be big and strong enough to kick hard against the outside wall and dent it - the inside wall of the uterus has no feeling. We are mid-way through the pregnancy now. Your prayers have helped your baby's mother continue with her pregnancy and seek the help she needs.
