**What If Your Paycheck Didn't Come Regularly?**

Most of our parishioners are blessed with consistent and dependable paychecks. Yet, have you ever thought about how you would manage your bills and schedule your payments if you were never sure how much money you were going to have in your bank account. This is a problem that our parish faces every month. Weekly giving can fluctuate from \$9,000.00 to \$6,000.00. While we are **most grateful for any gift that any parishioner can give at any time**, to help us maintain a more consistent cash flow, we have established an online giving program. Those parishioners who are using the program tell us it is a great help to them, too. It allows them to clearly budget the amount that they want to give back to God and helps them feel assured that their parish is receiving their gift even when they are out-of-town, too busy to remember an envelope, or attending Mass at another parish. If you would like to learn more about this easy, safe and secure way of giving, please contact Judy at the parish office (801 399 5627) or check out our website at [www.stjosephogden.org](http://www.stjosephogden.org)

¿Qué pasa si su cheque de pago no llega con regularidad? La mayoría de nuestros feligreses han sido bendecidos con cheques de pago consistentes y confiables. Sin embargo, ¿alguna vez ha pensado en cómo manejaría sus facturas y programaría sus pagos si nunca estuviera seguro de cuánto dinero iba a tener en su cuenta bancaria? Este es un problema que nuestra parroquia enfrenta todos los meses. Las donaciones semanales pueden fluctuar entre \$ 8,500.00 y \$ 6,500.00. Si bien estamos muy agradecidos por cualquier regalo que cualquier feligrés pueda dar en cualquier momento, para ayudarnos a mantener un flujo de efectivo más constante, hemos establecido un programa de donaciones en línea. Los feligreses que están usando el programa nos dicen que también es de gran ayuda para ellos. Les permite presupuestar claramente la cantidad que quieren devolver a Dios y les ayuda a sentirse seguros de que su parroquia está recibiendo su regalo incluso cuando están fuera de la ciudad, demasiado ocupados para recordar un sobre o atienden misa en otra parroquia de vez en cuando. Si desea obtener más información sobre esta forma fácil, segura y segura de donar, comuníquese con Judy en la oficina parroquial (801399 5627) o visite nuestro sitio web en [www.stjosephogden.org](http://www.stjosephogden.org)

## The Leaf of the Little Flower

A Soul's Biography

The Little Flower is the popular name of a very holy, simple and pious religious sister of the Carmelite Order. Her name is St. Therese of the Child Jesus. Since the writer of the article fell in love with the ways of this saint in loving God, he named himself as the "Leaf of the Little Flower."

Born on the 29<sup>th</sup> day of May 1979 by Jose de Leon Santos and Ester Suba Santos, these two people met organizing a Block Rosary in their subdivision in Cainta, Rizal, Philippines. His father is very active in all the church programs in the parish. When he was still a bachelor, Jose became the secretary and assistant of the late Fr. Walter of the CICM. His mother was a very pious and religious woman who came from the province of Pampanga and eventually settled with her family in Cainta. He has only one sister, she is the eldest, her name is Ma. Cecilia M. Santos, another one is Jose Valentine M. Santos, his youngest brother. They are three in the family and he is the middle child.

He was fortunate to study in a private Catholic school and during his childhood years he is brought up with the iron hand and will of his father, and a loving touch of his mother. He loved to play with his friends always and he is a proud little man. He wanted to be the strongest among his friends. When he was in Elementary, there was no school year that he passed without having a fight with his classmates. He wanted to prove to them that they couldn't treat him as someone they could tease or bully or someone they could yell whenever they want. He wanted to prove to them that he is not inferior even if he was small and thin. He was a brave little boy. He never quit any fight!

Nevertheless, even if he was a seemingly stubborn and hard headed boy, he didn't forget his relationship with God. Since Grade 2, he was an Altar Server and he became the leader of the Altar Server Ministry; and he never stopped until he graduated from high school. Being an altar server for 8 years has developed in him a deeper sense of loving and serving God. And it was enrich to the fullest when he became the leader of the group in his school called the YMC (Youth for Mary and Christ), this is a school based youth ministry that was handled by the Marian Missionaries of the Holy Cross.

He is satisfied in what he is now and to what he will do with his life. He wishes to be humble and to perfect the little things he does. He is determined to do everything to achieve his goal. After high school at the age of 16 he entered the seminary. He studied at the University of Santo Tomas for his First Year in college and later on finished his Bachelor Degree at Mater Dei College Seminary and graduated as Cum Laude. After his philosophical studies, he continued his academic formation again in the University of Santo Tomas and there he was able to finish the degree of Bachelor of Sacred Theology as Cum Laude.

During his life as a seminarian, he was exposed to different manual labor; he also spent most of his time in giving recollections and retreats aside from his regular ministry in the public high school youth and catechizing prisoners.

On March 4, 2009 he was ordained as a transitional deacon by His Eminence Archbishop Socrates Villegas and served in the Diocese of Negros Occidental. After three months, he was ordained priest by Rev. Bishop Vicente Navarra at San Sebastian Cathedral Negros, Occidental, on June 26, 2009. Since then, Jose continuously served in different dioceses in the Philippines.

Continues on next page ...

From previous page

He look at himself as an ordinary and weak creature of God, Jose is as sinful as any ordinary human being. As a matter of fact, even after 12 years, he still doesn't understand the mystery of his priesthood. Why did God choose Him to be His priest? Well I guess he will spend his whole life unraveling this mystery of God in his priesthood. Perhaps the word of St John Vianney is true when he said: *"The priest will not understand the greatness of his office till he is in Heaven. If he understood it on earth, he would die, not of fear, but of love."* The heart and the mind of this priest is so small to understand how much God loves him. May be one day, when this priest dies he will surely comprehend the mystery he longed to understand...

By the way the priest that I am referring to is the new Parish Administrator of the St. Joseph Catholic Church in Ogden and St. Florence Church in Huntsville. His name is Fr. Joshua Maria Jose Emilio Montoya Santos. He is looking forward to meet you!

**CALL FOR EXTRAORDINARY MINISTERS OF COMMUNION, LECTORS, USHERS, AND ALTAR SERVERS!**

**Book Signing**

St. Joseph Catholic Elementary School is proud to be hosting a book signing for a fellow St. Joseph School alumni, Mike O'Brien. He shares his unusual coming of age among a community of Trappist monks — a story of hope, humor, and heart. This is O'Brien's love letter to the brothers of the Abbey of Our Lady of the Holy Trinity in Huntsville, Utah — the monks who raised him.
