**A Light has come unto us.**

My brothers and sisters in Christ, consider it a blessing that the grace of God has shined on you and that you have been born in this age. Why may you ask? It is because if you had been born in the former age, in the days of the Old Testament, as a Gentile, you would not have been part of God's chosen people.

Today, we are celebrating Epiphany Sunday. This special Feast, normally celebrated on January 6th, commemorates the revealing of Jesus as the Christ to the Gentiles.

The meaning of the word "epiphany" has its roots in the Greek language. The first part of the word, "epi," means "upon." The second part, "phainein," means "to show." By combining these two meanings, "to show upon," we are reminded of the manifestation of the glory of Christ to the Gentiles.

The original purpose of the Feast of Epiphany was to commemorate how the glory of Christ was revealed to the Gentiles.

My brothers and sisters in Christ, the Feast of Epiphany is a reflection of the Light. Through the Birth of Jesus, we see the arrival of the Light in the world. Through the Magi, we see the light of hope, of joy and of peace to come.

All these events are reminders to us that we too are called to be a light in the world. Being enlighten by the Light of God in our hearts, we are called to go forward and to share with others the Good News, our hope, our joy and our peace that the Light of Christ has bestowed upon us.

**Encourage Deeper Understanding of Scripture**

In his Apostolic Exhortation, The Joy of the Gospel, Pope Francis references a thought from Pope Benedict XVI: "Being a Christian is not the result of an ethical choice or a lofty idea, but the encounter with an event, a person, which gives life a new horizon and a decisive direction." Today we celebrate an encounter with the Person of Jesus Christ! This simple but holy event in time dramatically changes human life, pointing it toward a new horizon and giving it a decisive direction. This is a message and truth that is not meant to be shared with only a select few who qualify but with the entire world. Pope Francis continues saying, "Thanks solely to this encounter or renewed encounter with God's love, which blossoms into an enriching friendship, we are liberated from our narrowness and self-absorption. We become fully human when we become more than human, when we let God bring us beyond ourselves in order to attain the fullest truth of our being."

Look around at people. Where is life heading for them? What gives them direction? Even we who are people of faith can get distracted and lose our focus. God, in all of His fullness, is revealed in Jesus Christ and we can encounter Him! God is tangible, real, vulnerable, poor, and full of wonders, surprises, and opportunities. For those who are struggling and lost, today is a day of great joy. All they have to do is reach out and touch the truth of Christ. This presence is revealed in the poor, exploited, and vulnerable ones who cry out for compassion and love. But it is also found in the faithful ones who see in the Epiphany of God a liberation from structures and systems that hurt us, a narrowness of mind and heart that constricts us, and an absorption in our self-agenda that prevents us from seeing anything other than ourselves as important.

We have been given the charge of preaching this Good News. If only we could find a way to be more effective, it might stand a chance of doing what God intended it to do. There is always tomorrow and our memory of that bright new light that shone so brilliantly that Bethlehem night pointing us to truth and reminding us that we are loved.
