ASH WEDNESDAY: February 14,
Ash Wednesday opens Lent, a season of fasting and prayer. It comes from the ancient Jewish tradition of penance and fasting. The practice includes the issuing of ashes on the forehead. The ashes symbolize the dust from which God made us. As the priest applies the ashes to a person's forehead, he speaks the words "Remember that you are dust, and to dust you shall return." Ashes also symbolize grief, in this case, grief that we have sinned and caused division from God.

REFLECTION OF THE SIXTH SUNDAY IN ORDINARY TIME:

The readings for the 6th Sunday in Ordinary Time demonstrate the healing power of Jesus and his ability to rid us of what is unclean in our lives. The first reading tells us what should be done if someone has leprosy, and how being unclean separates us from others. The Gospel recalls how Jesus healed a leper and presents us with a powerful story of Jesus' valuable ministry through this passage. In our sickness, our weakness, our shame, and our oddness lots of us feel like this leper. Once we've been healed by the Lord, we feel the obligation to tell the world about it.

Reminder: PLEASE COME TO THE PARISH OFFICE TO RECEIVE YOUR loved ones pictures that were placed at the Altar for the month of November. Also, to those families who lost a loved one this past year and had their Funeral Services at this Parish please come to pick up your beautiful Memory Candle that was at the Altar for the month of November.

**FAMILY CONNECTION**

Today's Gospel invites us to think about the choices we make as individuals and as a family. Jesus was faced with a choice in today's Gospel. By choosing to heal the man with leprosy, Jesus showed God's compassion for the sick and the outcast. The man knew that Jesus had a choice and that Jesus could reject his request. He may have expected that Jesus would not help him. The social taboos regarding leprosy certainly gave him little on which to base his hope. In the person of the man with leprosy, we see an image of all those in need. The sick and the outcast of our world are watching us, to see if we as Christians will choose to extend ourselves to others in need of healing and compassion. Gather with your family and talk about some of the choices you have made as a family. How does your family go about making decisions?

SUNDAY GOSPEL REFLECTION

First Reading: Leviticus 13:1-2,44-46 The Law regarding leprosy is given to Moses and Aaron.

Responsorial Psalm: 32:1-2,5,11 A prayer of contrition and confession for sin.

Second Reading: 1 Corinthians 10:31-11:1 Paul urges the Corinthians to imitate him as he imitates Christ.

Gospel Reading: Mark 1:40-45 Jesus cures a person with leprosy, who reports his cure to everyone.

In today's Gospel, we continue to hear Mark report the miraculous healings that Jesus performed in Galilee. The Gospel begins with Jesus healing a man with leprosy. Leprosy is a disfiguring, infectious skin disease that has been surrounded by many social and religious taboos throughout history. In 1873, the cause of leprosy, also known as Hansen's disease, was identified. We now know that leprosy is caused by a bacterial infection. Although it is infectious, modern medical studies have shown that transmission is more difficult than previously thought. Since the 1940s, medical treatments have been available, and the patient no longer needs to be isolated once long-term treatment had begun. In Jesus' time, however, religious and social taboos dictated the behavior of those with leprosy and other skin diseases. The Law of Moses provided for the examination of skin diseases by the priests, and if leprosy was identified, the person was declared unclean. People with leprosy lived in isolation from the community. They were instructed to rip their clothes and to announce their presence with loud cries when moving in the community. If the sores of leprosy healed, the Law of Moses provided a purification rite that permitted the person to return to the community. In today's Gospel, the man with leprosy took the initiative, approaching Jesus and asking for healing. In doing so, the leper violated the religious customs of the day by approaching a person who was clean. His request to Jesus can be interpreted as a courageous and daring act. The confidence of the leper in Jesus' ability to heal him is evident in the words of his request. Mark's Gospel tells us that after this healing, it became difficult for Jesus to travel freely.
