EASTER MEANING: Along with the Nativity of Christ, Easter is one of the most important celebrations in the Catholic calendar. It is when we give thanks for the Resurrection of Jesus Christ. The significance of Easter is Jesus Christ's triumph over death. His resurrection means the eternal life that is granted to all who believe in Him. The purpose of Easter also means the full confirmation of all that Jesus taught and preached during His three year ministry.

EASTER SUNDAY; THE RESURRECTION OF THE LORD:

Easter Sunday delivers, above all, a message of hope. Easter commemorates and celebrates that Jesus has risen from the dead after his crucifixion on the cross at Calvary on Good Friday, fulfilling holy scripture and giving eternal meaning to his life and earthly purpose. Easter falls three days after the end of Lent, which began on Ash Wednesday. Lent ended on Thursday, which commemorated the Last Supper shared by Jesus and his disciples. Easter is a day of great joy for believers, celebrating the miracle of the "empty tomb" and the prophecies and promises of both the Old and New Testaments in the Bible that Christ's crucifixion was fulfilled. We believe that Jesus is the son of God. He suffered and died to set us free from sin and death, and he rose from the dead on Easter Sunday. "Christ is risen, He is truly risen" for us as Catholics, these words are the linchpin of our faith. We believe that Jesus is the son of God and he suffered and died to set us free from sin and death and he rose from the dead on Easter Sunday.

In the Easter Gospel we hear about how the disciples found the tomb empty three days after Jesus' death. They do not yet understand the Scriptures or that Jesus has been raised from the dead. That understanding gradually unfolded for the disciples as they began to experience the risen Lord. Our understanding of Jesus' Resurrection unfolds for us throughout our lives. In the weeks ahead, we hear how the first disciples moved from confusion, doubt, and skepticism to faith. Their experience can teach us how we too might receive this gift of faith from God. Through the Easter season, we will learn more about how the disciples came to believe that Jesus had been raised from the dead. Pray using Psalm 118, "This is the day the Lord has made; let us rejoice and be glad." Praying together as Family brings us closer to God.

SUNDAY GOSPEL REFLECTION

First Reading: Acts of the Apostles 10:34a,37-43 Peter preaches about Jesus' life, death, and resurrection.

Responsorial Psalm: 118:1-2,16-17,22-23 Rejoice in this day of the Lord.

Second Reading: Colossians 3:1-4 Having been raised by Christ, be concerned with what is above.

Gospel Reading: John 20:1-9 Mary of Magdala finds that the stone has been removed from Jesus' tomb.

Today we begin the Easter Season, our 50 day meditation on the mystery of Christ's Resurrection. Our Gospel today tells us about the disciples' recovery of the empty tomb. It concludes by telling us that they did not yet understand that Jesus had risen from the dead. The details provided are not necessarily meant to offer proof of the Resurrection. The details invite us to reflect upon a most amazing gift, that is faith in Jesus and his Resurrection. The four Gospels tell us that Jesus' empty tomb was first discovered by women. This is notable because in the first-century Jewish society women could not serve as legal witnesses. In the case of John's Gospel, the only woman attending the tomb is Mary of Magdala. Unlike the Synoptic accounts, John's Gospel does not describe an appearance of angels at the tomb. Instead, Mary is simply said to have observed that the stone that had sealed the tomb had been moved, and she runs to alert Simon Peter and the beloved disciple. She assumes that Jesus' body has been removed, perhaps stolen. She does not consider that Jesus has been raised from the dead. Simon Peter and the beloved disciple race to the tomb, presumably to verify Mary's report. The beloved disciple arrives first but does not enter the tomb until after Simon Peter. This detail paints a vivid picture, as does the detail provided about the burial cloths. Some scholars believe that the presence of the burial cloths in the tomb offers evidence to the listener that Jesus' body had not been stolen, it is understood that grave robbers would have taken the burial cloths together with the body. Even having seen the empty tomb and the burial cloths, the disciples do not yet understand about the Resurrection.
