Humility

I asked God for strength, that I might achieve. I was made weak, that I might learn humble to obey. I asked for help that I might do greater things. I was given infirmity, that I might do better things. I asked for riches, that I might be happy. I was given pervert, that I might be wise. I asked for all things, that I might enjoy life. I was given life, that I might enjoy all things. I got nothing that I asked for but everything that I hoped for. I am, among all men, most richly blessed.
