PEACE

To be glad of life because it gives you the chance to love and to work and to play and look up at the stars, To be satisfied with your possessions but not contented with yourself until you have made the best of them. To despise nothing in the world except falsehood and meanness and to fear nothing except cowardice. To be governed by your admirations rather than by your disgusts, To covet nothing that is your neighbor’s except his kindness of heart and gentleness of manners, To think seldom of you enemies, often of your friends....These are little guide posts on the foot-path to peace. **Henry Van Dyke**
