Guidelines from the Committee for Implementation of new directives effective July 16, 2021

Churches may operate at full capacity without social distancing; Masks are required for everyone ages above the age of two. A separate COVID-restrictive section has been designated to accommodate those who are not/cannot be vaccinated; these would adhere to social distancing/masking restrictions as have been followed over the last year. Please be considerate to those who are still wary of the virus.

Mass obligation remains suspended. Per statistics, there still over a third of the state which is not vaccinated. Also, many persons will still be fear full for selves and immune-compromised family and friends to whom they want to protect from COVID, as well as, uncertainly towards potentially-virulent variants.

EVERYONE OVER THE AGE OF TWO IS REQUIRED TO WEAR A MASK.
