*Guidelines from the Committee for Implementation of new directives effective July 16, 2021*

*Churches may operate at full capacity without social distancing; Masks are required for everyone ages above the age of two. A separate COVID-restrictive section has been designated to accommodate those who are not/cannot be vaccinated; these would adhere to social distancing/masking restrictions as have been followed over the last year. Please be considerate to those who are still wary of the virus.*

*Mass obligation remains suspended. Per statistics, there still over a third of the state which is not vaccinated. Also, many persons will still be fear full for selves and immune-compromised family and friends to whom they want to protect from COVID, as well as, uncertainly towards potentially-virulent variants.*

**EVERYONE OVER THE AGE OF TWO IS REQUIRED TO WEAR A MASK.**
