The Archdiocese of Santa Fe entered into Chapter 11 Reorganization during the first week of December 2018. The utmost concern is for the victims of abuse. Our prayers are with them. The Annual Catholic Appeal Foundation is not part of the Chapter 11 filing. ACA is separately incorporated and funding is not available for legal claims. ACA remains a significant source of funding for the ministries and services of the Archdiocese of Santa Fe throughout this process and beyond. Christ's loving work must endure through this. Thank you for continuing to support these efforts.

Pentecost Sunday

Even though Pentecost is rightly celebrated in late spring, the robust experience of a New England fall can provide a profound metaphor for reflection. A full expression of fall colors is beautiful to behold. But, with all of its majesty and beauty, the observer knows the experience of death is soon to come. Creation will be dark and barren for a while. Pentecost cannot be separated from the cross. Before God's transformative, life-giving power can bear fruit, we must first die.

Pentecost is all about leaving the lifeless dead wood behind and allowing God, through the power of the Holy Spirit, to create something new. These Pentecost creations happen repeatedly over and over again. The birthing process of the Church is ongoing. God is always bringing life out of death and creating something where there was once nothing. That is why the fall is such an apropos metaphorical season for Pentecost. In order to really receive the gift of the Holy Spirit we have to die to what we once knew and what no longer works.

When fire and wind find their fullest expression, they are in no way gentle nor kind. They have the potential to level anything in their paths. We are experiencing great turmoil in our world, nation, and our Church. Whether the result of circumstance or the work of the Holy Spirit, much of what we knew to be normal and constant is changing. Common systems and institutional structures that may have worked for a time no longer do. When the old and familiar need to be left behind, God creates something new. Change and disorder do not need to be our enemies. They always bring opportunities for something exciting and new. What we need is untiring faith, firm hope, and perfect love.

What we need is for the Holy Spirit to enlighten us to see what is important and what we must do. *"O Holy Spirit, descend plentifully into my heart. Enlighten the dark corners of this neglected dwelling and scatter there Thy cheerful beams."* (St. Augustine) If we experience joy, even in the midst of turbulence, then we will know we are exactly where God needs us to be. If not, then perhaps there is a lesson in the decaying leaves that graciously descend to the ground on a crisp fall day.

Question:

Is the Catholic Mass really celebrated the same throughout the world?

Answer:

One of the truisms of the Catholic Faith is that "wherever you go in the world, the Mass is the same." In fact, the answer to this question is both "yes" and "no."

On the one hand, the essential elements of the Roman Rite are the same. The structure of the Mass as it is presented in the Roman Missal is consistent and this is one of the beauties of belonging to a liturgical tradition.

On the other hand, however, there are elements of celebrations that can vary depending on the country or even local region you might be in. For example, in certain parts of the world, certain feasts and solemnities are celebrated on different days (even here in the United States the Solemnity of the Ascension of the Lord can be celebrated on Thursday of the Sixth Week of Easter or it may take the place of the Seventh Sunday of Easter, depending on what diocese you are in). Whether it is the use of certain liturgical colors, local celebrations of regional saints, special seasonal blessings of crops or produce, or the use of dance and processions all demonstrate a sort of organic variety that can exist even within our established liturgical tradition. While we always respect what is essential to the rite, such local variations and traditions are very much in keeping with the vision of liturgical renewal and adaption envisioned by the Second Vatican Council's Constitution on the Sacred Liturgy.
