

## 2<sup>ND</sup> SUNDAY IN ORDINARY TIME

There was a wedding at Cana in Galilee, and the mother of Jesus was there. Jesus and his disciples were also invited to the wedding. When the wine ran short, the mother of Jesus said to him, "They have no wine." - Jn 2:1-3

**GOSPEL MEDITATION - 2nd Sunday of Ordinary Time:**

God delights in you. How do you feel when you hear that? Delight usually comes with an exuberant flow of joy that seemingly arises from one's toes with the expression of great glee. Reflecting upon the deep measure of joy God has in us can be a source of joy for ourselves. Delight is infectious. A very young brother and sister were playing on the beach when the all too familiar ice cream truck made its daily rounds. The boy shook with excitement and delight as he took his sister's hand and exclaimed, "The ice cream man is here, isn't it great!" As they ran off toward the truck, one could hear the girl reply, "Yeah, I can't wait!" The experience of a child's delight in something so simple as ice cream, lifts our spirits from our burdens and transports us to the lighter, more innocent side of life.

Life is not meant to be a burden. Believe it or not, God actually wants us to be happy! In fact, the wedding feast at Cana shows us that God even puts His blessing on our happiness. It is okay to celebrate the wonder of ourselves and others. Life is good. It is always interesting to note that Jesus saves the good wine until last. You would think it would be the other way around. The superb quality of Jesus' wine points to the superior quality of life we find in Christ. It is not a life of burdens but a life of wonder and delight! In Christ, we are lifted from the superficial and mundane to a life of purpose, hope, and love.

God is with us through the long haul, through the challenges and sorrows as well as the successes and accomplishments. In spite of the fact that we often wander from the path, God's celebratory delight in us remains. As spouses are asked to remain faithful to each other through whatever life brings, God remains faithful too. This promise remains through this life and into the next. All we have to do is take the advice of Jesus' mother to heart when she says, "Listen to him." This wisdom saves us from foolishly giving in to the illusion that we can make better wine than Jesus.

2<sup>ND</sup> SUNDAY IN ORDINARY TIME

**STEWARDSHIP**

**Are We Cooperating With God to Make the Best Use of Our Gifts?**

Today's Gospel reading from John recounts the familiar story of the wedding feast at Cana when Jesus launched His public ministry by performing His first miracle at his mother's request. In the midst of the feast, the Blessed Mother noticed that the wine had run out and pointed out the problem to Jesus. Then, she gave the servants instructions that are equally applicable to us modern-day stewards, saying, "Do whatever He tells you." Jesus gives the servants a simple and seemingly mundane task, telling them to fill some stone jars with water. They did what He told them to do. And Jesus used their obedience in the accomplishment of that simple task to perform His first miracle, turning the water into the choicest wine.

Our Lord didn't have to include those servants in order to perform this miracle — He chose to. And today, 2,000 plus years later, He still chooses to include us in the performance of His miracles through our cooperation with Him in using the gifts and talents He has given us. What a privilege! Let us take care to listen to our Blessed Mother: let's examine our lives this week to see if we really are "doing whatever He tells us," cooperating with God to make the best use of the gifts He has given us for the benefit of those around us. If we all take this call seriously, He will perform miracles in our families and our parish.
