LIVE THE LITURGY Inspiration for the week

When we lose our ability to trust, we become afraid. When we are afraid, we may begin to grumble and question whether where we are is where we need to be. For us who have faith, we even question whether God is who God says He is. Trust is so important to our success on our journey. Often, the road of our lives can become a bit treacherous. We may find ourselves feeling more unsettled than comfortable and less fulfilled than we would like to be. As much as we try, the pieces of our puzzle don't quite fit together as they ought. We wonder if we will ever experience happiness again. Then, something reminds us that God is very much present in this mess we call life. God is still bringing hope out of despair and life out of death. After all, God is the true bread that comes down from heaven to give life. All that is necessary is for us to trust in this truth, even when we may be lacking in some of life's essentials. The God who gives life is the same God who sustains it. He is also the same God who assures us that we will not perish.
