Welcome

We the Catholic Community of St. Rose of Lima for over 130 years, strive to live as God wants us to live with Jesus Christ as the center of our lives.

Gospel Meditation

A pregnant woman was walking in the store and met an old friend. Her friend exclaimed, "You are absolutely beaming!" The new life God placed in her womb radiated throughout her body. It was brightly visible on her face and in her eyes. Transformation and change usually happen from the inside out. It is very rare that simply imposing structure from the outside does any good. Yes, it is true that routines and habits can change when things are done differently. But, for this change to last there has to be an interior renewal and metamorphosis as well. Simply regulating behavior and bringing someone into conformity with accepted protocols doesn't mean their heart and soul come with them.

Peter was a homeless man who lived in a very remote and rudimentary tent community. He was happy to make his daily trip to McDonald's and always welcomed a gift card or two so that he could buy some coffee and something to eat. A generous advocate worked to secure him an apartment in hopes of moving Peter out of his makeshift housing and into something safer. Peter finally got the grand tour of his new "digs," received his own key, remarked how wonderful the place was, closed the door behind him when they left and never returned. He preferred his tent. No matter how much things changed on the outside, Peter was happy where he was. A poignant lesson was learned that day.

How is your Lent going? By now you ought to have a sense of whether you're really "into it" this year and something transformational is happening. For many, it's only the stuff on the outside that changes for a few weeks and then they return to business as usual. For others, there are some real inner changes happening that are deepening their relationships with God, others, self, and creation. If we are serious about moving to a new place and radiating with the presence of new life and joy, then we have to clear the way to listen for God's call. Then, there is God's request to change things up a bit and order our lives differently. After realizing we have been called and given a mission, we have to trust that this is where we need to be. And then, after all of this hard work we are asked to act. The fruit that is revealed will indicate whether our journey is authentic. The brilliance of conversion will begin to shine on our faces as we contemplate the One to whom we are asked to listen.

Please accept our heartfelt thanks and appreciation to all who have made their generous commitment to this year's Returning God's Gifts Annual Appeal. Catholics throughout our diocese are united in faith, sharing their blessings, and giving gifts in Jesus' name. We see the fruits of the appeal in our parishes through trained catechists, deacons and lay ministers as well as resources for our parish staff and ministers provided by the diocese. Remember that no gift is too small. For those who have not yet responded, we urge you to consider offering your commitment by filling out a pledge envelope (available in the Vestibule) and dropping it in the collection basket. Please remember that you can fulfill your pledge over several months and pay by credit card, automatic debit, cash, money orders or checks. The diocese also accepts gifts online. With every parishioner's meaningful participation, we will succeed in reaching our goal of $ 26,388 for St Rose and $6,847 for St Joe.

Although the Church Store no longer has "regular hours", you are more than welcome to give Connie Robb a call at 395-6707 or 760-554-8930 to obtain items. She only lives a few blocks from the church and is happy to meet you.

CATHY HARBICK

Broker Associate

"We have dreamed of moving to Buena Vista since the first time we visited the area. One day I decided to call First Colorado Land Office and thank the stars Cathy Harbick answered the phone. We had a limited budget so we assumed we would end up in a lower end home that was not the case.

Cathy worked tooth and nail to make sure we got a home that we could afford and would keep increase in value. We could not be happier. My wife got her dream home. I got the land I wanted, and my kids now have amazing backyard, all within a quick drive to town. I can honesty say, without Cathy, this would not have been possible. Because of her our dream is now a reality. Cathy is a terrific Realtor and even better person." – Andrew Dunn
