This is the season we give thanks to God for all He has done for us this past year and throughout our lives. It is also a good time to begin considering how we might give back some of our wealth or assets to Him with a special year-end gift. Gifting is a great way to thank God for these blessings. We hope that you will consider St. James as a beneficiary.

Take advantage of the charitable tax deduction for gifts made before December 31 (benefits of income tax deductions, capital gains savings, and other financial benefits), and consider the variety of gift options available to you. Your gift to your parish can make a great difference.
