Dear Friends in Christ,

It is with great joy that we once again enter into the Christmas season! It is a time to celebrate and appreciate God's love for us, and to share that love with others. The Christmas season is also a time to renew our hope, and to let Jesus's light push back the darkness that threatens peace in our world and in our lives. May God bless you and your families this Christmas season and always!

In Christ, Fr. Kirk

## GOSPEL MEDITATION

Families can be very difficult things to negotiate. This is true not only of our families of origin, the current family of which we are a part, the family of our Church, our society, and our global family as well. Everything human can be found in family stories. Those stories speak of wonderful life-giving successes as well as painful spirit-robbing abuses. Our greatest joys and our greatest wounds are usually connected with the experience of family. Our needs, experiences, and unresolved baggage often color what we bring to our familiar relationships. They contribute to our level of defensiveness, how guarded and protected we become, and what prejudices we believe.

In order to break the cycle of dysfunction we have to remember that it is not only by human effort that we negotiate the difficult and challenging events of our lives. There is a Divine Effort at work as well. For sure, the human effort can create quite a mess and easily destroy lives. This is true of any family with which we are associated. Today's Feast of the Holy Family serves to help us understand that there is a Divine Story being told as well. It is a story of perseverance in the face of hardship, determination in the face of despair, healing when we see nothing but wounds, and light where there is darkness.

Do we believe that God is always working, guiding, restoring, and leading? Unless we do, we will never be free from the imperfections and wounds that bind us and never be able to understand what it really means to forgive. Pope Francis tells us that the "light which comes from the Holy Family encourages us to offer human warmth to other families." While this is most certainly true, we can only really begin to do this when we realize that we are still works in progress, not anchored to the wounds and sins of our past, and still a leading star in God's continually unfolding story of love. The Holy Family persevered and radiated warmth because they knew they were not alone. We can too.

## ST. THOMAS BECKET | FEAST DAY DECEMBER 29

Not many saints can be relatable to our times, but St. Thomas Becket (December 21, 1118 – December 29, 1170) is one of the few. King Henry II, a good friend, made him chancellor of England at the age of 36. Then, despite St. Thomas Becket warning the king that he would not blindly follow his wishes, he was appointed Archbishop of Canterbury in 1162. Soon after, King Henry insisted upon seizing Church rights. In the name of peace, St. Thomas Becket came close to a compromise, and momentarily approved the Constitutions of Clarendon, which would have denied the clergy the right of trial by a Church court. But he later rejected this, and for his safety fled to France where he remained in exile for seven years. Although returning to England meant almost certain death, St. Thomas Becket came back. According to historical accounts, King Henry implored, "Who will free me from this troublesome priest!" St. Thomas Becket was later murdered by four knights in his Canterbury Cathedral as he was praying. For his part in the murder, King Henry performed public penance after St. Thomas Becket's canonization.

The minimum donation for the flowers is \$35. If there is not a request for flowers by the Monday before the weekend at 10am, there will be not be flowers in front of the altar.

We invite you, even if you've never spent time before in Adoration, to sign up for a regular weekly hour before the Blessed Sacrament in our new Adoration Chapel. ## STEWARDSHIP BULLETIN

### REFLECTION

SIR 3:2-6, 12-14 OR 1 SM 1: 20,22, 24-28; PS 128: 1-5 OR PS 84:2-3, 5-6, 9-10; COL 3:12-21 OR COL 3: 12-17; OR 1 JN 3:1-2, 21-24; LK 2:41-52

The Holy Family experienced many of the same joys and trials that all parents and children experience today. And, so, we can look to this Family for help in our own family lives and see in them a model of stewardship in family life. The Gospel passage from Luke starts by telling us something about Jesus' parents: "Each year Jesus' parents went to Jerusalem for the feast of the Passover, and when he was 12 years old, they went up according to festival custom." This Family took seriously the stewardship of their time. The "Holy Couple" carefully observed the traditions and practice of their Jewish faith and brought up their Son to do the same. They worshiped as a family, and with their faith community. And they did so faithfully. We can take their example to heart by making Sunday Mass attendance a priority for our families, by making prayer with our family a priority every day, by making sure that we regularly celebrate the Sacrament of Reconciliation, and by observing in our family life the feasts and fasts appropriate to the liturgical calendar. When we, as families, prioritize our Time with God and worship of Him we will be imitating the Holy Family. On this Feast of the Holy Family, let us reclaim the beauty and importance of family life. Let's commit to steward our families well in 2022, making time spent with God and practicing our faith the most important appointments on our family calendars.
