From The Pastors

Dear friends,

What an interesting story we encounter in the Gospel today. The parable of the two sons shows us two children who must have been a handful for their father. Neither one responded obediently to the father's request for help in the vineyard. The first boy said "no" to the father – in that culture it was a real insult. But he felt guilty enough about it to go to work anyways in the vineyard. The second son answered "yes," but never followed through.

"Which of the two did his father's will?" is the main point in today's gospel. The son who said "no" at first, then changed his mind and went to work was the son who actually did what his father wanted. The other son was quite agreeable but was of no use to his father when it came to doing the job that needed to be done.

Our faith is not just a matter of saying the right words or celebrating proper ritual. Faith is not different than other parts of our life in this regard. Our faith includes expressing ourselves in prayer and ritual but also requires that we put into action the message and the commands that Jesus has taught us, it's never too late to change things around as the young man in the gospel shows us, the son who initially said "no" to his father, but then had a change of heart.

Safety Tips:

We recently had a vehicle broken into during one of our weekend masses. We are asking all of you to please lock your cars, roll your windows up. Do not leave items visible from the outside. Women should not leave their wallets/purses in the car, please bring them inside with you. We do have security cameras facing the parking lot, but cameras will not capture all the activities happening between vehicles. Thank you for being cautious.

I wish to thank everyone who has called and updated their child's registration and also to all new registration families. As has been announced previously, all registered students are automatically re-registered. The fee for the coming year can be paid thru the web site or dropped off at the Parish office. I thank the recent individuals who have informed me they will be able to assist with a class this coming year. On that note, the schedule to begin has been established for the first week of October. The corresponding catechists will be contacting each student and family with class time as we complete the schedule.

Please pray for our parish community that all are safe and able to continue with their daily activities as we deal with the current Pandemic.

Blessings to all.

Hello Everyone,

We are getting ready to start Confirmation classes very soon! We are still having some difficulties with our online registration, so if you have registered your child online, please email me at youthministry@stalbertnewmancenter.org because I do not have your child's information. Our Lifeteen Program is also ramping up this year, and I am excited to offer such an amazing program to all of our high school students. This year is stressful on you all I know, it is for us here as well, but I know it is going to be an amazing year if we just trust in God and let him take the lead. I look forward to seeing you all very soon. We will get through this together! God Bless!
