## MEDITACIÓN DEL EVANGELIO – ALENTAR UN ENTENDIMIENTO MÁS PROFUNDO DE LA ESCRITURA

### 4º Domingo de Pascua

En este IV Domingo de Pascua, dedicado al Buen Pastor. Reflexionaremos una pequeña parte de la Homilía sobre los Evangelios de San Gregorio Magno (540-604). Fue el sexagésimo cuarto papa de la Iglesia Católica. Es uno de los grandes padres de la Iglesia latina o de occidente. *“Yo soy el buen pastor, yo conozco a mis ovejas, es decir las amo. Y mis ovejas me conocen. Como queriendo decir abiertamente: correspondo al amor de quien ama. El conocimiento precede siempre al amor de la verdad. Pregúntense, estimadísimos, si son ovejas del Señor, si lo conocen, si conocen la luz de la verdad. Hablo no solamente del conocimiento de la fe, sino también de aquel del amor; no solamente de creer sino también de obrar. San Juan, el evangelista, en efecto explica: ‘Quien dice: conozco a Dios, pero no observa sus mandamientos, es un mentiroso’ (1 Juan 2:4)”. Y continúa su homilía: “Como el Padre me conoce y yo conozco al Padre, y ofrezco la vida por las ovejas” (San Gregorio).*

Nuestro actual Pastor, el Papa Francisco, nos da el mensaje de la siguiente manera: *“Nuestra vida está totalmente segura en las manos de Jesús y del Padre, que son una sola cosa: un único amor, una única misericordia, reveladas de una vez y para siempre en el sacrificio de la cruz. Él es nuestro guía, nuestro maestro, nuestro amigo, nuestro modelo, pero sobre todo es nuestro salvador. A veces Jesús nos llama, nos invita a seguirle, pero tal vez sucede que no nos damos cuenta de que es Él”. ¿Qué voces escuchas actualmente? ¡Señor, que sea uno contigo y escuche tu voz!*

## GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

### 4th Sunday of Easter

“Human beings, while capable of the worst, are also capable of rising above themselves, choosing again what is good, and making a new start.” (Pope Francis) We have a difficult time figuring out what is true and best for us. There are many voices talking and so many trying to get our attention. We wrongly convince ourselves that the true voice is the voice of progress, the one that speaks of contemporary wants and desires, enticing us with the latest trends and causes. We are taught, by listening to the voices around us, that truth is found in feelings and thought, and ideals must match current and popular human wants. Because we feel a particular way it must be true. Then, we find a shepherd who empathizes with us and affirms us. We follow that voice even though listening to that voice will render us powerless and lead us to harm. There are many with me in this procession to this pasture. I must be on the right path and listening to the right voice.

We are very confused. What can keep us safe and from harm? Where do we go to find life, love, and happiness? Jesus tells us that he is the way, the truth, and the life. The only way to get to Truth, who is God, is through him. There is no other way. The Church, the gate around God’s pasture of life, is charged with the mission of directing us where God desires that we go. In the midst of all of the conflicting voices around us, the voice of truth is often muffled in all of the noise, but it beckons us to a life of virtue and grace. Helping us understand who we are and where we have to be, it discerns the voice of God, providing us with the safety net we need to stay straight on our path to life eternal.

We have to trust the voice of God, the true Shepherd, even when it does not mirror what we want and what others may believe. Faith goes way beyond feeling and involves a radical trust in Someone who can lead us and form us. At day’s end, if we do not know to find our way home, we will be truly lost.

**EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS**

**Reluctant Sheep**

Sheep get an awfully bad rap, linguistically. Some are quick to label people as "sheep" if we think they haven't sufficiently questioned authority or if they're too willing to go along with someone else's plan. We say someone has "the wool over their eyes" if they aren't willing to see what we think is very obvious. "A wolf in sheep's clothing" is what we call someone looking to take advantage of those too gullible to identify a real threat.

Taking all this into account and considering how often we are referred to as sheep in Scripture, you've really got to wonder if God trying to tell us something about ourselves.

If you look at the phraseology associated with sheep, it's no wonder that nobody *wants* to be one. Sheep are innocent. Sheep can't protect themselves. They're vulnerable and easily misled.

We want to see ourselves as the opposite of all that. We like to think we're shrewd, with plenty of common sense. We want to believe that we don't have to rely on anybody for anything. We would sooner identify with the wolf than with the sheep — at least the wolf can take care of himself.

We do this because we often resist the need to rest in the greatness of God. Like a child walking to school alone for the first time (forgetting his mom is following watchfully in the car), we want to think we can handle it all by ourselves.

The truth is that God *is* trying to tell us something by comparing us to sheep: *You don't have to do this on your own.*

Every time I look at an obstacle and think that there is no way around it, I am forgetting that I have a shepherd who knows the location of the gate.
