Prayer For a New Parish Home

Lord, help us in our endeavor to build a new home. Enlighten us to see how You are leading us, both as a Church and as a family. Through the intercession of St. Henry, we ask for guidance and inspiration during this journey of faith so that the fruit of our labor may live on for many generations. Amen

Oración Por un Nuevo Hogar Parroquial

Señor, ayúdanos en nuestro esfuerzo de construir un nuevo hogar. Ilumínanos, para ver como Tú nos guías como Iglesia y como familia. Por medio de la intercesión de San Enrique, Te pedimos nos guíes y nos inspires durante esta jornada de fe, a fin de que el fruto de nuestra labor perdure para muchas generaciones. Amen

GIVE ME LIBERTY

There are two aspects to liberty: liberty from external bondage and liberty from internal bondage. Biblically, the Jewish Exodus from Egypt is from external bondage, while Moses receiving the 10 Commandments on Mt. Sinai is the liberty from internal bondage. If you can't discipline yourself, you're a slave to your internal nature — which is, by the way, completely lost in secular society, and it is the essence of our problem — that some people blame America and not their own natures for their problems.

— Dennis Prager

INFANT BAPTISM

Infant baptism has long been an acceptable, if not the normal, practice among *faithful* Catholic parents who wish to share with their newborn children all that they have – including their faith and the spiritual protection of God's cleansing grace. These infants will later-in-life complete their baptisms in the sacrament of confirmation.

To prepare for baptism, we highly suggest that parents do so during pregnancy or immediately after birth. The unfortunate tendency among a growing number of parents to delay baptism well past the first year of life is often an indication that the parents are lacking an understanding of what exactly baptism provides their children.

We seem to get our kids vaccinated within months of birth for their bodily protection, but often ignore spiritual protection by waiting years – 3, 5, 10 or more to baptize!

At St. Henry we hope to rectify this lack of understanding and encourage parents to baptize infants within A WEEK OF BIRTH according to tradition! To have your child baptized, call the office and supply us: Parents' names, ph#, email + child's name & date of birth. You will then be contacted by Mike & Christy Conway who will begin your brief period of preparation and get you ready to arrange a baptismal date.

All our infant baptisms are generally done separately to provide each family with the dignity of the sacrament and there is NO FEE: your child is the one who profits, not the parish or minister!

Jewish Roots of the Catholic Faith Course

Dcn. Harold Escarcega will be teaching a three-part course on the Jewish roots of the Catholic faith, including topics like the Mass, the Church, the Eucharist, and others. Classes are in the St. Mary classroom from 9:30am to 10:30am on 3 consecutive Fridays—July 9, July 16th, and July 23rd. Come and get a better sense of why do certain things as Catholics, and the history and richness of our Catholic faith.

This week our Chapel Sanctuary Candle burns in honor of the Presence of Christ in the Blessed sacrament in memory of:

BAUTISMO INFANTIL

El bautismo infantil ha sido durante mucho tiempo una práctica aceptable, si no lo normal, entre los padres Católicos *fieles* que desean compartir con sus hijos recién nacidos todo lo que tienen, incluyendo su fe y la protección espiritual de la gracia purificadora de Dios. Estos infantes completarán posteriormente sus bautismos en el sacramento de la confirmación.

Para prepararse para el bautismo, recomendamos encarecidamente que los padres lo hagan durante el embarazo o inmediatamente después del nacimiento. La desafortunada tendencia entre un número creciente de padres a retrasar el bautismo mucho más allá del primer año de vida es a menudo una indicación de que los padres no comprenden qué es exactamente lo que el bautismo proporciona a sus hijos. Parece que vacunamos a nuestros hijos a los pocos meses de nacer para proteger su cuerpo, pero a menudo ignoramos la protección espiritual esperando años: ¡3, 5, 10 o más para bautizar!

¡En San Enrique esperamos rectificar esta falta de comprensión y alentar a los padres a bautizar a los bebés dentro de UNA SEMANA DE NACIMIENTO de acuerdo con la tradición! Para bautizar a su hijo, simplemente asista a nuestra sesión de orientación que se lleva a cabo el primer domingo del mes después de la misa en español de las 12 del mediodía en el edificio de la oficina.

Todos nuestros bautismos de infantes generalmente se realizan por separado para brindar a cada familia la dignidad del sacramento y NO HAY COSTO: ¡su hijo es el que se beneficia, no la parroquia o el ministro!

MISAL DOMINICAL

Creo que uno de los signos de una parroquia que está preparada para el culto es aquella en la que los feligreses llegan a la Misa Dominical habiendo leído ya las lecturas Bíblicas seleccionadas antes de la Misa, preferiblemente en casa la noche anterior o el domingo por la mañana. Los católicos no deben llegar a la Misa sin saber si ese domingo en particular es un día de fiesta especial o qué lecturas de la Biblia están a punto de escuchar y probablemente escucharán al sacerdote o diácono basar su predicación.

DAME LIBERTAD

Hay dos aspectos de la libertad: la libertad de la esclavitud externa y la libertad de la esclavitud interna. Bíblicamente, el éxodo Judío de Egipto proviene de la esclavitud externa, mientras que Moisés recibe los 10 Mandamientos en el Monte Sinaí es la libertad de la esclavitud interna. Si no puede disciplinarse a sí mismo, es un esclavo de su naturaleza interna - que, por cierto, está completamente perdida en la sociedad secular, y es la esencia de nuestro problema - que algunas personas culpan a Estados Unidos y no a su propia naturaleza. por sus problemas.
